Plants that Just Scream Color – Again and Again!

The best plant breeders partner with Monrovia to bring exceptional new discoveries to market. For the past three years, Proven Winners has brought us more than 75 remarkable new introductions. Highlights this year include the exciting Bloom-A-Thon® Reblooming Azaleas. Enjoy up to five months of large blooms that first appear in April, and again in early July, continuing through fall until frost. The evergreen foliage is disease resistant, maintaining excellent color year-round. Monrovia is offering three dazzling colors – Pink, Red and White. A fourth selection, Lavender, will make its debut soon.

We love the Lo & Behold® Buddlejas and are delighted to be growing two fantastic new additions: Ice Chip Summer Lilac has pure white fragrant flowers against a backdrop of compact mounds of silvery foliage; while Lilac Chip Summer Lilac has soft, lavender-pink fragrant flowers. Each blooms continuously from summer to fall without deadheading! They each have nice compact habits and do not set seedlings.
