This little gem produces bumper crops of large, sweetly delicious berries in midsummer, reminiscent of homemade blueberry jelly. Rich green foliage is often tinted with radiant red along the edges and tips of its uniquely elongated leaves. Exceptional compact form makes a great low hedge or feature plant for patio containers. Reaches only 1 to 2 ft. tall and wide.

***Weigela florida 'Alexandra'* P.P. #10,772, C.B.R. #2,642
Wine & Roses® Weigela**

Item #7656

Zone: 4 - 8

Rosy-pink flowers add a touch of romance when displayed against the dark glossy foliage. The foliage is much darker than that of older varieties like Java Red. It contrasts beautifully with the rosy-pink flowers, making for a high impact display in the garden. This variety produces copious amounts of flowers in spring, and will re-bloom throughout the summer. The trumpet-like flowers are adored by hummingbirds! 4 to 5 ft. tall and wide.

***Weigela florida 'Bokraspiwi'* P.P.A.F.
Spilled Wine™ Weigela**

Item #7751

Zone: 4 - 8

Spilled Wine has dark red, wavy leaves and a spreading habit. Its hot pink-magenta flowers are similar to those of Wine & Roses, but this is a smaller plant that is wider than it is tall. Its foliage, a dark black-purple with an attractive wavy margin, will not fade to green like some older selections. The tubular flowers are adored by Hummingbirds! Reaches 1 to 2 ft. tall and 2 to 3 ft. wide.
