Monrovia  
Exclusive

## *Abutilon x 'Moned'* **Super Red® Flowering Maple**

Item #0020

Zone: 9 - 11

Bright red, bell-like flowers make this a choice specimen or container plant. Graceful arching stems form a handsome mounding shrub and hold attractive rich green maple-like foliage. Evergreen. Fast grower to 8 to 12 ft. tall and wide.

## *Abutilon x hybridum 'Roseus'* **Pink Flowering Maple**

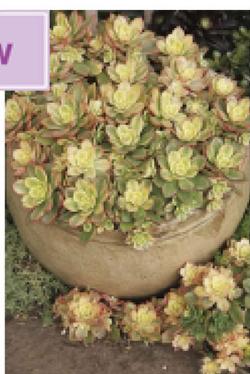

Item #0013

Zone: 9 - 11

Handsome, mounding shrub displays showy, drooping, soft pink blooms throughout the year. Graceful stems form a natural espalier. Can be trained into a patio tree. Good in containers. Evergreen. 8 to 12 ft. tall and wide.

New

## *Aeonium 'Kiwi'* **Kiwi Aeonium**

Item #6358

Zone: 9 - 11

A kaleidoscope of colors sets this drought tolerant Succulent apart from others. Forms handsome rosettes of fleshy leaves edged in fiery red. Bright yellow blossoms appear in summer. Forms offsets freely. Adds dazzling color to rock gardens or dry borders. Well-suited to containers. Slow grower to 2 to 3 ft. tall and wide.

New

## *Aeonium arborescens Tip Top™* **Tip Top™ Aeonium**

Item #7504

Zone: 9 - 11

Unlike most Aeoniums, Tip Top's striking foliage covers its central stalk from tip to toe. Ovate-shaped burgundy leaves gather in many tight clusters. Great container plant for hot, sunny locations. May be overwintered as a houseplant if kept in a sunny area. Prefers sandy to loamy soil with pH range of 5.5 to 6.5. Clumps reach 1 ft. tall and 1 to 2 ft. wide.

New

### *Aeonium decorum 'Sunburst'* **Sunburst Aeonium**

Item #6873

Zone: 9 - 11

Large rosettes of variegated green and white leaves are held on long bare stems. In full sun, the tips of the leaves show a coppery red. Pale yellow flowers bloom in mid-winter to early spring on mature plants. Moderate growing to 18 inches tall and wide.

### *Agapanthus africanus 'Albus'* **White Lily Of The Nile**

Item #0170

Zone: 8 - 11

Attractive, bell-like white flowers on stalks above a clumping, evergreen perennial. Good container plant in colder areas or perennial color accent in outdoor beds where winters are more mild. Foliage clumps to 1 1/2 ft. tall and wide. Flower stalks to 2 1/2 ft. tall.

Monrovia  
Exclusive

### *Agapanthus africanus 'MonKageyama'* **Sun Stripe® Agapanthus**

Item #3528

Zone: 8 - 11

A unique variegated Agapanthus discovered by F.K. Nursery in southern California. Strap-like foliage is green marbled with cream, and bordered with a wide soft yellow margin. Wider than other varieties, the exceptionally broad leaves make a colorful, bold statement. Thrives in a morning sun position with afternoon dappled shade, protected from hot afternoon sun. Excellent forward border plant for the perennial garden or in a container. Reaches up to 20 inches tall, and 24 inches wide.

### *Agapanthus africanus 'Queen Anne'* **Queen Anne Lily Of The Nile**

Item #0180

Zone: 8 - 11

Beautiful clumps of strap-like foliage and dense flower clusters on tall stalks. Grown by division to assure uniformity in habit of growth, flower form and color. Good for firewise landscaping. Foliage to 12 to 15 in. tall and wide, flower stalks to 2 ft. tall.

# Tropicals

New

*Agapanthus inapertus 'Graskop'*  
**Graskop Lily of the Nile**

Item #5000

Zone: 7 - 10

This extraordinary Agapanthus with its compact head of dark violet blue flowers is a garden standout! The buds emerge almost black and are held erect atop 18-inch stems, slowly elongating and finally becoming pendulous as they open. Makes a good container plant and its bright green, strap-like foliage offers great texture when planted in small groupings in the landscape. Reaches 2 to 3 ft. tall.

Monrovia  
Exclusive

*Agapanthus orientalis 'Benfran' P.P. #21,705*  
**Baby Pete™ Lily Of The Nile**

Item #9957

Zone: 8 - 11

Exceptional selection blooms weeks earlier than other varieties. With shorter, wider leaves, this dwarf, compact form produces masses of attractive blue flowers held just above the foliage. Flowers rarely set seed pods, resulting in a longer season of color. Plant along pathways, group at an entry or use in mixed containers. Perennial. Reaches 12 - 15 in. tall, 18 - 24 in. wide; flower stems to 6 - 8 in. above foliage.

*Agapanthus praecox orientalis 'ATIBlu' P.P. # 14,332*  
**Blue Storm™ Lily Of The Nile**

Item #0173

Zone: 8 - 11

Sky-blue flowers on a rugged intermediate-sized plant. Healthy green bladed foliage produces a dense clump. Bell shaped flowers bloom on short sturdy stalks. Excellent for containers and as edging. Herbaceous perennial. Rapid growth 12 in. tall, 20 in. wide; flower stems to 30 in. tall.

Monrovia  
Exclusive

*Agapanthus x 'Monmid'*  
**Midknight Blue® Agapanthus**

Item #0188

Zone: 6 - 11

An exciting introduction with deep, violet-blue flowers held in tight clusters on tall stalks. Lush strap-like foliage is bright green. Great for borders and containers. Herbaceous perennial. Flower stalks to 3 to 4 ft. tall, foliage to 2 ft. tall.

*Agave 'Blue Glow'*  
**Blue Glow Agave**

Item #9282  
Zone: 8 - 11

A handsome smaller Agave. Solitary, symmetrical rosette has smooth, blue-green leaves with red margins edged in yellow, with tiny, soft spines. Each leaf tip bears a short red spine. This beautiful, yet tough and drought tolerant plant is an elegant choice for sunny, dry gardens and well-suited to containers. Slow grower to 18 in. tall, 24 in. wide.

New

*Agave attenuata 'Ray of Light'*  
**Variegated Fox Tail Agave**

Item #7472  
Zone: 9 - 11

Wide green pliable leaves with a clean white variegation along the leaf margin emerge from a tight central spear and arch gracefully back. Mature plants will produce a tall vertical flower stalk that reflexes back towards the ground before arching up again like a fox tail. Clump forming rosettes 4 to 5 ft. tall, 8 ft. wide. Bloom stalks to 8 ft.

*Agave parryi var. truncata*  
**Artichoke Agave**

Item #2522  
Zone: 6 - 9

Dense, symmetrical rosettes of wide blue-gray leaves are abundant, developing large clumps. Bloom spikes emerge from older rosettes, which die after flowering - the plant is perpetuated by "pups" or offshoots. A bright accent in the water-wise landscape or a nice groundcover when mass planted. Rosettes 2 to 4 ft. wide, clumps to 5 ft. wide or more; flower spikes 15 to 20 ft. tall.

New

*Agave potatorum 'Kissho Kan'*  
**Lucky Crown Century Plant**

Item #6881  
Zone: 9 - 11

Symmetrical rosettes of soft blue-tinged leaves are accented by ivory toothed margins. Spines emerge yellow, quickly transition to light brown, and mature to a light cinnamon brown. A rare, small selection from Japan, Kissho Kan makes an excellent specimen or container plant. Slow growing up to 18 inches tall and wide.

# Tropicals

New

## *Agave schidigera 'Durango'* **Thread-leaf Agave**

Item #7413

Zone: 8 - 11

Selected for its dense, symmetrical form, this showy slow-growing Century Plant features a handsome, solitary rosette. Its dark green leaves have a sharp terminal spine and margins with curly white hairs. At maturity, it may produce red-purple buds and greenish flowers on a 10 foot spike. Moderate grower to 2 ft. tall, 2 to 3 ft. wide; flower stalk 10 to 12 ft. tall.

New

## *Agave utabensis ssp. utabensis* **Utah Agave**

Item #7417

Zone: 6 - 10

Small, stout Agave with wide, toothed leaves, native to the deserts of Southwestern U.S. Mature plants bloom in late winter, producing clusters of deep yellow flowers arranged along a 6 to 12 ft. tall spike. Spreads slowly, forming clumps. Adds wonderful texture to natural and hillside plantings. Clumping rosettes reach 18 inches tall, 16 inches wide

## *Agave victoriae-reginae* **Queen Victoria Agave**

Item #2524

Zone: 9 - 11

This compact, slow-growing Succulent radiates a rosette of toothless spine tipped leaves, accented with delicate white markings. May bloom at a considerable age, forming a tall bloom spike densely packed with reddish-purple flowers. Use as a single specimen in pots or as a focal point in a small Succulent garden. Reaches 12 in. tall, 18 in. wide; flower spike to 4 ft. tall.

New

## *Aloe 'Blue Elf'* **Blue Elf Aloe**

Item #6408

Zone: 9 - 11

Narrow upright blue-gray leaves contrast well with showy spikes of orange flowers. A favorite of hummingbirds, this petite, easy-care Succulent blooms from winter to spring, repeating intermittently nearly year-round. Tips of foliage may take on a reddish tinge in cooler temperatures. Useful in containers or featured in rock gardens or borders. Makes a beautiful display when planted in mass. Evergreen. Reaches 1 to 2 ft. tall and wide.

**New***Aloe dorotheae***Retro Succulents® Sunset™ Aloe**

Item #6380

Zone: 10 - 11

The leaves on this virtually stemless Succulent are green and tapering when young, becoming brown-red with elongated spots as the plant matures. A flower spike, usually unbranched, rises above the foliage, producing yellow or red flowers with green tips. Perfect for rock gardens or dry borders. Plant in mass for a beautiful display. Clump forming rosettes reach less than 1 ft. tall and 1 to 2 ft. wide.

**New***Aloe hybrid***Retro Succulents® Sal™ Aloe**

Item #7779

Zone: 9 - 11

Attractive rosettes of pale green foliage are stippled in creamy white, with coral-fringed leaf edges. Heat and drought tolerant when established, this handsome, clumping Succulent is ideal for rock gardens or containers. Slow growing to 6 to 8 inches tall and wide.

**New***Aloe hybrid***Retro Succulents® Carmine™ Aloe**

Item #7780

Zone: 9 - 11

Striking succulent with orange-stippled pale green foliage and bright orange-red fringed leaf edges. This handsome, clumping hybrid Aloe is heat and drought tolerant when established, making a colorful addition to rock gardens, and xeriscapes. Performs well in containers, indoor or out. A must-have for the succulent collector! Slow growing to 8 to 10 inches tall and wide.

**New***Aloe hybrid 'Christmas Carol' P.P.A.F.***Christmas Carol Aloe**

Item #6379

Zone: 9 - 11

A petite Aloe with festive color! Dark green succulent leaves feature deep crimson raised spots and are trimmed in bright red. Vibrant pink to reddish-orange flowers add to the show. This drought tolerant, rosette forming plant is a great selection for use in rock gardens, as a small scale groundcover, or in containers. Reaches 8 to 12 in. tall and wide.

# Tropicals

New

## *Aloe Rudikoppe* **Little Red Riding Hood Aloe**

Item #6422

Zone: 9 - 11

Attractive, smaller clumping Aloe, growing to less than one foot tall with densely clustered side rosettes. Spotted green leaves compliment the yellow-orange flowers on two foot stalks. Blooms nearly year-round in mild climates. Excellent for massing in water-wise garden beds. Great accent or small container specimen. Clumping rosettes reach 1 to 2 ft. tall, 2 to 3 ft. wide.

## *Alpinia zerumbet 'Variegata'* **Variegated Shell Ginger**

Item #0200

Zone: 8 - 11

Leafy, arching stems create a tropical effect with boldly striped foliage. Large, drooping clusters of white and pink shell-like flowers are sweetly fragrant. Can be used as an indoor specimen. Rapid growing to 4 to 7 ft. tall and 4 ft. wide.

## *Alsophila australis* **Australian Tree Fern**

Item #3590

Zone: 10 - 11

Create a tropical look with this interesting landscape specimen. Bright-green, broad fronds are finely cut, spreading from a slender trunk. Fastest growing of the Tree Ferns. Reaches 20 ft. tall, 10 to 15 ft. spread.

## *Alstroemeria x 'Staprioxa' P.P. # 14075* **Oxana® Princess Lilies®**

Item #1808

Zone: 8 - 11

Hot raspberry-pink, 2-inch blossoms with striking golden throat are warm climate stand outs. Versatile dwarf mounding form is ideal for massed effects. Equally useful as container plant. Elegant long-lasting cut flower. Herbaceous perennial. Reaches 10 to 14 in. tall and wide.

*Alstroemeria x 'Staprisara'* P.P.# 14,080  
**Sara® Princess Lilies®**

Item #1825  
Zone: 8 - 11

Glimmering dark golden orange two-inch flowers bear a distinctive pink and white throat. Blooms nearly continuously during the warm season if spent stems are plucked promptly. Excellent for cut flower arrangements. Great for massing in borders, as an accent, or in patio containers. Herbaceous. Dense, mounding habit reaching 12 to 15 inches tall and wide.

*Alstroemeria x 'Zaprifabi'* P.P.# 19395  
**Fabiana® Princess Lilies®**

Item #5500  
Zone: 8 - 11

Creamy-yellow two-inch flowers have a soft yellow throat, contrasting beautifully with variegated green and white foliage. An excellent, long lasting cut flower. Blooms repeatedly during the warm season when spent flower stems are plucked promptly. Fine for massed plantings or as an accent in ground or containers. Herbaceous. Fast growing, reaching 8 to 12 in. tall, 18 to 24 in. wide.

New

*Alstroemeria x 'Zaprilou'*  
**Louise® Princess Lilies®**

Item #8725  
Zone: 8 - 11

Dense, mounding form produces masses of large, purplish pink flowers with lemon yellow throats, from early spring to first frost. Rhizomes will survive underground after moderate frost, producing strong branched flower stems again in spring. Great for massing at the front of borders. Outstanding container plant or long lived cut flower. Herbaceous. Dense, mounding habit, reaching 8 to 12 inches tall and wide.

*Alstroemeria x 'Zapriteres'* P.P.# 18,055  
**Theresa® Princess Lilies®**

Item #5515  
Zone: 8 - 11

A long flowering variety with romantic, soft to deep rose-pink flowers atop sturdy stems. An excellent cut flower, with throats often highlighted yellow with purple speckles. Compact, clumping form with prolific blooming habit is effective for massed landscape effects or as accent in ground or containers. Herbaceous. Reaches 12 to 18 in. tall and wide, spreading slowly.

# Tropicals

## *Alyogyne huegelii 'Monle'* **Purple Delight™ Lilac Hibiscus**

Item #0238

Zone: 9 - 11

Prolific producer of royal purple blooms throughout the growing season. Beautiful evergreen shrub for borders, entryways or hedges in warmer climates or use as summer annual elsewhere. Moderate grower to 6 ft. tall and 4 ft. wide.

## *Alyogyne huegelii 'MonLeon'* **Leon's Purple Delight™ Lilac Hibiscus**

Item #4031

Zone: 9 - 11

A prolific producer of royal purple blooms with deeply dissected evergreen leaves. This improved selection is far less susceptible to summer root stress than other varieties. Colorful border accent, espalier or informal hedge in warmer climates. Ideal patio container specimen; use as summer annual in cold winter areas. Moderate grower to 6 ft. tall, 4 ft. wide.

## *Alyogyne huegelii 'Santa Cruz'* **Lilac Hibiscus**

Item #0242

Zone: 9 - 11

Prolific bloomer displaying large, mauve-purple flowers throughout the growing season. Beautiful evergreen shrub for borders, entryways or hedges in warmer climates; use as a summer annual elsewhere. Moderate grower to 6 to 8 ft. tall, 4 to 6 ft. wide.

## *Asclepias curassavica 'Silky Gold'* **Silky Gold Milkweed**

Item #6634

Zone: 8 - 11

Yellow form of Milkweed from South America. A must for attracting butterflies as Asclepias is the sole food source for Monarch caterpillars. Three-inch long clusters of golden-yellow summer flowers are displayed against yellow-green lance-shaped leaves. This well-behaved selection needs little attention and mixes beautifully with other tall perennials. Popular as a cut flower. Reaches 3 to 4 ft. tall and 2 to 3 ft. wide.

*Asparagus densiflorus 'Myers'*  
**Foxtail Fern**

Item #0315  
Zone: 9 - 11

Fluffy evergreen adds unusual textural contrast to perennial beds and borders. Long, plume-like stems hold soft, needle-like leaves. Develops red berries in fall. An excellent choice for hanging baskets and containers. Moderately upright growth, 2 ft. tall and 2 to 3 ft. wide.

*Asparagus densiflorus 'Sprengeri Compacta'*  
**Compact Sprenger Asparagus Fern**

Item #0330  
Zone: 9 - 11

Very popular low-growing evergreen for hanging baskets, cutting and groundcover. Dense, shiny green needle-like foliage displayed on arching stems. Bright red contrasting berries. Fast growing. Evergreen. Reaches 2 ft. tall and 4 ft. wide.

*Aspidistra elatior*  
**Cast Iron Plant**

Item #0345  
Zone: 6 - 11

This plant is as tough as its name! It will practically grow in the dark. Excellent for those difficult to fill areas in deep shade. Spreads by underground stems. Evergreen. Slow growing 2 ft. tall, 2 to 3 ft. wide.

*Asplenium bulbiferum*  
**Mother Fern**

Item #3600  
Zone: 9 - 11

Fresh green, finely-cut fronds emerge from a single crown. Evergreen foliage has a graceful, arching habit that provides excellent contrast in the shady landscape. Moderate growing to 4 ft. tall and 3 ft. wide.

# Tropicals

New

## *Azara microphylla* **Box-leaf Azara**

Item #4977

Zone: 7 - 10

This fast growing, upright shrub is an exceptional choice for screening between narrow lots or as a background hedge in smaller landscapes. Shade tolerance makes it useful between tall buildings or under high-branched trees. Mature plants have gracefully layered branches. Glossy green foliage is accented by tiny clusters of creamy white, highly scented flowers in mid to late winter. Small shiny berries may appear in early spring. Evergreen. Fast growing, 18 to 25 ft. tall and 12 ft. wide in 10 years.

New

## *Boronia crenulata 'Shark Bay'* **Shark Bay Boronia**

Item #2598

Zone: 9 - 11

This easy to grow, no-fuss dwarf shrub displays dense, glossy green leaves with a licorice scent. Delicate, pink, star-like flowers bloom year round. Consistent, long bloom season make this a great choice for containers. Prefers partial shade in a sheltered spot. Reaches 2 to 4 ft. tall and wide.

## *Bougainvillea 'Barbara Karst'* **Barbara Karst Bougainvillea**

Item #1270

Zone: 10 - 11

Vigorous, showy vine shines with bright magenta red blooms. Gives a fine cover to patios or arbors. Also a good groundcover for banks. Drought tolerant when established. Use as annual color in colder climates. Evergreen. Fast growing stems 20 to 30 ft. long.

## *Bougainvillea 'Bengal Orange'* **Bengal Orange Bougainvillea**

Item #3504

Zone: 10 - 11

A very colorful and showy patio accent featuring pinkish-orange flowers (bracts) set against green and white variegated foliage. Offers lush tropical effect and color over a long season. Evergreen. Moderate grower to 1 1/2 ft. tall, 6 to 8 ft. wide.

*Bougainvillea 'James Walker'*  
**James Walker Bougainvillea**

Item #1312  
Zone: 10 - 11

Profuse blooming selection boasting large flower bracts of reddish purple. Beautiful display on arbors, trellises or spilling over a fence. Use as annual color in cold climate areas. Evergreen. Vigorous growing stems 20 to 30 ft. long.

Monrovia  
Exclusive

*Bougainvillea 'MONcliff*  
**Gold Rush™ Bougainvillea**

Item #1266  
Zone: 10 - 11

Clear of any orange or pink tones, the profuse golden yellow flowers are brighter than other varieties. This versatile color combines well with any flower or structure color. Use as a summer annual in patio containers, hanging baskets or trellises. Evergreen. Vigorous vining stems 20 to 30 ft. long.

Monrovia  
Exclusive

*Bougainvillea 'Moneth'*  
**Purple Queen® Bougainvillea**

Item #1305  
Zone: 10 - 11

Rich, deep purple blooms are displayed against handsome deep green foliage. Compact, upright and spreading form. Wonderful for planter boxes, fence or arbor. Drought tolerant when established. Use as annual color in cold climate areas. As a groundcover 18 in. tall, 6 to 8 ft. wide; to 15 ft. tall if supported.

Monrovia  
Exclusive

*Bougainvillea 'MonSam'*  
**Golden Jackpot® Bougainvillea**

Item #1648  
Zone: 10 - 11

Vibrant purple flowers create a dramatic contrast with the chartreuse to bright golden borders to the green leaves. Provides festive color and tropical effect to patio containers, as seasonal color or long-term groundcover. Evergreen. Groundcover to 15 in. tall, 4 to 5 ft. wide; stems 8 to 10 ft. tall if supported.

# Tropicals

## *Bougainvillea 'Raspberry Ice'* **Raspberry Ice Bougainvillea**

Item #1321

Zone: 10 - 11

Beautiful low, spreading form exhibits a profusion of raspberry-pink blooms backed by contrasting variegated foliage. One of the hardiest varieties! Great as hanging basket or colorful small shrub or groundcover. Evergreen. Mounded form to 2 to 3 ft. tall, 5 to 6 ft. wide.

## *Brunfelsia magnifica* **Magnificent Brunfelsia**

Item #1343

Zone: 9 - 11

Create an impressive display of flowers and foliage with this tropical-looking plant. Large, 3 to 4 in. violet-purple blooms lasting 4 to 5 days appear most of the year. Evergreen. Slow growing to 4 ft. tall and wide.

New

## *Bulbine frutescens 'Orange'* **Orange Stalked Bulbine**

Item #6918

Zone: 8 - 11

South African native with narrow, succulent green leaves reminiscent of an Aloe. Long flower stalks rise above the foliage, spring through late summer. Delicate buds have a unique green center stripe, opening to deep orange flower spikes with frilly yellow stamens. This versatile dry climate gem adapts well to humidity and harsh weather. Best planted en masse as a groundcover or in rock gardens. Clumps to 1 to 2 ft. tall, spreads by rhizomes to 3 to 4 ft. wide.

## *Caesalpinia gilliesii* **Yellow Bird Of Paradise**

Item #2528

Zone: 8 - 11

Large yellow flowers with striking long red stamens adorn this open, fine-textured shrub. A wonderful informal specimen or light hedge or screen. Perfect for waterwise gardens. May remain semi-evergreen in warmer winter areas. Large open shrub 4 to 6 ft. tall and wide.

*Callistemon citrinus 'Little John'*  
**Dwarf Bottlebrush**

Item #1440  
Zone: 8 - 11

Blood red blooms cover the top of this dwarf grower for an extended season. Dense branches are covered with blue-green leaves. Versatile compact size is perfect for today's smaller gardens. Evergreen. Slow grower to only 3 ft. tall, 5 ft. wide.

New

*Callistemon rigidus 'RutCall' P.P.A.F.*  
**Scarlet Torch™ Bottlebrush**

Item #4676  
Zone: 8 - 11

Prolific, crimson-red bottlebrush-like flowers will attract hummingbirds to the garden in droves! This new introduction from the University of Georgia has larger blooms than other varieties with an excellent rounded form. A great choice for minimal care gardens as it maintains its compact size with little to no pruning. Evergreen. Reaches 9 ft. tall and 12 ft. wide in 10 years.

*Canna indica 'Lon01' P.P.A.F.*  
**Tropicanna® Black Canna**

Item #2921  
Zone: 7 - 11

Striking, deep bronze to chocolate-colored tropical leaves are complemented by contrasting bright red flowers that soon change to orange. This dramatic specimen provides bold color and lushness to the garden plantings or containers. Herbaceous. Foliage 5 to 6 ft. tall at maturity; flowers 12 in. above the foliage.

*Canna indica 'Macro' P.P.# 13809*  
**Tropicanna® Gold Canna**

Item #1741  
Zone: 7 - 11

Tall stems are crowned with vivid orange-yellow flowers with dark orange speckled throats, summer to fall. Large exotic leaves, striped green and gold, add dramatic interest. This outstanding selection provides lush texture and color to garden beds and patios. Ideal container specimen. Herbaceous. Foliage 4 to 5 ft. tall at maturity; flowers 12 in. above the foliage.

# Tropicals

*Canna indica 'Phasion'* P.P. # 10569

## Tropicanna® Canna

Item #2248

Zone: 7 - 11

Tall stems are crowned by large bright orange flower heads, summer to fall. Exotic foliage adds interest, with emerging bright burgundy leaves maturing with stripes of red, pink, yellow, and green. This dramatic specimen provides bold color and lush texture to garden beds, or as a featured container specimen. Herbaceous. Fast growing erect stalks to 5 ft. tall.

New

*Cestrum 'Orange Peel'*

## Orange Peel Jessamine

Item #5738

Zone: 7 - 9

A living bouquet of pure orange blossoms that, in warmer climates, last from early spring through the first hard frost. The tubular flowers have no fragrance during the day, but offer a sweet scent upon sunset. Low maintenance and thrives in hot weather. Perfect in mixed borders, butterfly gardens or espaliered on a sunny, low wall. Reaches 6 ft. tall and wide.

*Chamaerops humilis*

## Mediterranean Fan Palm

Item #6365

Zone: 8 - 11

The hardiest of all palms with its attractive multi-trunked habit that forms rounded clumps. Attractive, compact blue-green crown. Mass under trees or use as barrier planting. Perfect for containers. Evergreen. Slow grower to 10 to 15 ft. tall and wide.

New

*Chamaerops humilis var. cerifera*

## Atlas Mountain Palm

Item #9271

Zone: 8 - 11

Attractive, versatile palm with distinctly silver-blue foliage! Large fronds make a bold statement in the landscape. Robust and adaptable to extremes in both temperature and soil moisture. Clump forming. Creamy yellow blooms hang from long inflorescence in summer. Silver-blue coloration increases with age and is at its best in full sun. Evergreen. Grows to 8 to 12 ft. tall and 10 to 15 ft. wide

*Citrofortunella mitis*  
**Calamondin Orange**

Item #2625

Zone: 9 - 11

Prized for its ornamental value, this attractive columnar shrub bears small, juicy, sour orange fruit excellent for preserves. Fragrant white flowers back dense green foliage. Blooms and sets fruit intermittently throughout the year. Ripe fruit holds well. Nice landscape addition as a hedge or screen. Makes a great container specimen. Moderate grower 10 to 15 ft. tall, 6 to 8 ft. wide.

*Citrus aurantifolia 'Bearss' Seedless*  
**Bearss Seedless Lime**

Item #2475

Zone: 9 - 11

Heavy bearer of juicy, lemon sized fruit in winter to early spring. Grows into a densely branched, full rounded crown. Excellent container plant for patio or indoors in cold areas. Evergreen. Moderate growing 15 to 20 ft. tall and wide.

New

*Citrus hystrix*  
**Kaffir Lime**

Item #4307

Zone: 9 - 10

Aromatic, glossy green hourglass-shaped leaves are widely used in Indonesian and other exotic cuisines. The rind of the small, bumpy skinned fruit is also valued in cooking. Even a small scratch of the lime releases a roomful of refreshing fragrance. Grows into a densely branched, thorny shrub or small tree with a full rounded crown. Well suited to large containers; attractive on patios, terraces and in conservatories. Evergreen. In colder areas, provide winter protection. Moderate growing to 10 ft. tall and wide.

*Citrus limon 'Eureka'*  
**Eureka Lemon**

Item #2505

Zone: 9 - 10

This popular variety produces an abundance of fine, market-quality lemons year round. Large, juicy fruit with very few seeds is borne at an early age. Attractive landscape specimen with bronze-purple new growth. Evergreen. Moderate grower to 20 ft. tall and wide.

# Tropicals

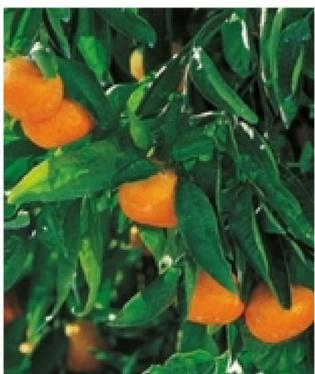

## *Citrus limon 'Meyer Improved'* **Improved Meyer Lemon**

Item #2600

Zone: 9 - 10

Excellent foliage is displayed on this medium to large shrub or small tree. Fragrant flowers produce thin skinned, juicy lemons year round. Makes an attractive accent. Protect from frost. Evergreen. Moderate growing 8 to 10 ft. tall, 12 ft. wide; smaller in containers.

## *Citrus reticulata 'Owari'* **Owari Satsuma Mandarin Orange**

Item #2660

Zone: 9 - 10

Seedless, medium sized orange fruit is sweet and juicy. Ripens early and stores very well. Dark green evergreen foliage on slender spreading branches. Not recommended for hot desert areas; thrives in cooler summer locations. Moderate growing, spreading form to 10 to 12 ft. tall and wide.

## *Citrus sinensis 'Campbell'* **Campbell Valencia Orange**

Item #2479

Zone: 9 - 10

Rounded tree with shiny green leaves and beautiful orange, lightly seeded fruit used for juicing. The fruit will ripen earlier in spring than standard Valencia Oranges and can remain on the tree until late summer. Evergreen. Moderate growing tree 25 ft. tall, 20 ft. wide.

## *Citrus sinensis 'Dwarf Washington Navel'* **Dwarf Washington Navel Orange**

Item #2610

Zone: 9 - 10

Delicious, easily peeled, seedless fruit is produced by this dwarf-sized tree. Fragrant flowers in spring and handsome foliage, year round. Adapted to most areas, except desert and cool coastal areas. Grafted onto Flying Dragon root stock. Evergreen. Moderate growing to 6 to 8 ft. tall and wide.

*Citrus sinensis 'Moro'*  
**Moro Blood Orange**

Item #2665  
Zone: 9 - 10

Unique red fleshed orange that produces delightful flavored juice with a hint of raspberry. Highly ornamental tree with red blushed fruit borne in clusters near the outside of tree. Evergreen. Moderate growing tree to 12 to 15 ft. tall and wide.

*Citrus sinensis 'Washington'*  
**Washington Navel Orange**

Item #2605  
Zone: 9 - 10

Delicious, easily peeled, seedless fruit is produced by this medium-sized tree. Fragrant flowers in spring and handsome foliage year-round. Adapted to all areas, except desert and cool coastal areas. Moderate growing to 15 to 20 ft.; smaller as a container plant.

*Citrus x 'Minneola'*  
**Minneola Tangelo**

Item #2675  
Zone: 9 - 10

Delightful tangerine-grapefruit hybrid produces juicy, thick skinned orange-red fruit with a rich tangerine flavor. Winter ripening fruit has few seeds. Great in containers, indoors or out. Evergreen. Moderate growing, round headed form to 12 ft. tall and wide.

*Clerodendrum ugandense*  
**Blue Glorybower**

Item #2751  
Zone: 10 - 11

Attractive fall flowering large shrub or small tree. Unusual two tone flowers of violet blue and pale blue. Full sun on the coast, protect from hot sun inland. Great in the deep South. Evergreen. Moderate-growing shrub or small tree to 9 to 12 ft. tall and 5 ft. wide.

# Tropicals

## *Clivia miniata 'Belgian Hybrid Orange'* **Belgian Hybrid Orange Bush Lily**

Item #3044

Zone: 9 - 11

Showy, broad, dark green, strap-like leaves are wider and shorter than other varieties. Rounded clusters of up to 60 vivid orange flowers on tall stems make this an absolutely gorgeous accent, border plant or container specimen. Evergreen. Moderate growing 18 to 30 in. tall and wide.

## *Clivia miniata 'Belgian Hybrid Yellow'* **Belgian Hybrid Yellow Bush Lily**

Item #2884

Zone: 9 - 11

Rare and wonderful bright yellow flowered form. Showy, broad, dark green, strap-like leaves form an attractive clump. Rounded clusters of up to 60 yellow flowers on tall stems make it an absolutely gorgeous accent, border plant or container specimen. Evergreen. Moderate growing 2 ft tall and wide.

## *Clivia miniata 'Monya'* **Flame® Bush Lily**

Item #2760

Zone: 9 - 11

Intense, deep red-orange flower heads are huge! Beautiful, robust-looking evergreen perennial is terrific in shady borders adding accent color where other plants won't grow. Excellent in containers. Moderate grower to 2 to 3 ft. tall and wide.

## *Coleonema pulchrum 'Sunset Gold'* **Sunset Gold Breath of Heaven**

Item #3724

Zone: 8 - 11

Light, wispy shrub displays attractive, tiny pink blooms over long season. Golden heath-like leaves are very fragrant when crushed; use along walkways or paths where branches can be reached. Evergreen. Moderate grower to 2 to 3 ft. tall and 4 to 6 ft. wide.

*Colocasia antiquorum 'Illustris'*  
**Imperial Taro**

Item #2417  
Zone: 7 - 10

Large striking foliage with green veins highlighting the deep black leaves. Spreads freely in rich, wet soils; more slowly in dry clay soil. Adds bold color and tropical flair to any garden. Herbaceous. Reaches 30 in. tall.

*Colocasia esculenta 'Black Magic'*  
**Black Magic Elephant Ear**

Item #2420  
Zone: 7 - 10

Large striking, dusty purple-black foliage contrasts spectacularly with bright-colored plants. Spreads freely in rich, wet soils; more slowly in dry, clay soil. Adds bold color and tropical flair to any garden. Herbaceous. Reaches 5 to 6 ft. tall and wide.

*Coprosma 'Evening Glow'*  
**Evening Glow Mirror Plant**

Item #8275  
Zone: 9 - 10

Very glossy green leaves have a bright golden variegation in spring and summer with fantastic rusty orange-red fall and winter color. An excellent landscape shrub or small clipped hedge for mild winter areas. Adds great color to patio containers. Evergreen Upright pyramidal shape to 5 ft. tall, 3 to 4 ft wide. Can be sheared to shape.

*Cordyline 'Baueri'*  
**Bauer's Dracaena Palm**

Item #3172  
Zone: 9 - 11

Slender trunk is topped by a five foot wide crown holding clusters of rich burgundy red, sword-like leaves. Fragrant white flowers top the stems in early summer. Heat and drought tolerant when established. A superb specimen plant for landscape or patio container. Moderate growing 8 to 10 ft. tall, 5 ft. wide.

# Tropicals

## *Cordyline 'Electric Pink' P.P.# 19213* **Electric Pink Dracaena Palm**

Item #9408

Zone: 8 - 10

Upright, dark maroon leaves edged with shocking-pink create a striking, architectural focal point in the garden or in a mixed container. Evergreen. Reaches 2 to 4 ft. tall and wide.

## *Cordyline 'Red Star'* **Red Star Dracaena Palm**

Item #1742

Zone: 9 - 11

Burgundy red sword-like leaves make this an outstanding choice. Use as a focal point in the landscape or in large containers surrounded by bright flowered perennials and silver foliage. Fragrant white flowers top the stems in early summer. Moderate growing 8 to 10 ft. tall, 5 ft. wide.

## *Cordyline australis 'Jel01' P.P.A.F.* **Burgundy Spire™ Dracaena Palm**

Item #3882

Zone: 9 - 11

Aptly named, deep burgundy to rich chocolate foliage forms a bold spire. This is the darkest of Cordyline australis varieties, and the foliage holds longer on the trunk than others. Provides a rich colored accent for both container and landscape gardens. Fast growing to 8 ft. tall, 3 ft. wide.

## *Cordyline australis 'Torbay Dazzler'* **Torbay Dazzler Dracaena Palm**

Item #2785

Zone: 9 - 11

Versatile, palm-like evergreen tree adds a tropical look to landscapes. Brightly striped leaves bring areas around swimming pools alive. Good container plant. Fragrant white flowers. Slow grower to 15 to 18 ft. tall, 8 ft. wide.

*Cordyline indivisa*  
**Blue Dracaena Palm**

Item #3170  
Zone: 9 - 10

Tropical looking palm-like plant displaying slender arching sword-like leaves. A great choice for containers, often used in tubs with other plants. Thrives in seacoast exposure. Evergreen. Moderate growing 10 ft. tall. Can be kept smaller as a container plant.

*Cordyline x JURred P.P. #14,224*  
**Festival™ Burgundy Cordyline**

Item #3173  
Zone: 8 - 11

Prized for its eye-catching bright burgundy-red foliage, this hybrid Cordyline creates a dramatic grass-like effect with its long arching leaves and tiny white flowers appearing on dark red stems. Spectacular when paired with bright-colored foliage and flowers. Plant in drifts along walkway borders or in foundation plantings. A bold architectural form in container gardens. Evergreen. Arching leaves form a mounding clump 3 ft. tall and wide.

*Cortaderia selloana 'Pumila'*  
**Ivory Feathers® Dwarf Pampas Grass**

Item #2804  
Zone: 7 - 11

Well suited for smaller gardens; used as a specimen for its handsome fall flowers. Long stalks of white plumes are held above the foliage. This clumping perennial grass is wind and drought tolerant. Fast growing to 3 to 5 ft. tall, 4 to 6 ft. wide. Flower stalks 8 to 10 ft.

New

*Crassula capitella 'Campfire'*  
**Campfire Crassula**

Item #6364  
Zone: 9 - 10

Easy-to-grow, branching Succulent displays dramatic, fleshy propeller-like leaves that mature from light green to bright red. Forms spreading mats, useful in rock gardens and containers. Clusters of lightly fragrant white flowers rest on the leaves in the summer. Forms a mat 6 in. tall, 2 to 3 ft. wide.

# Tropicals

## *Crocosmia 'Columbus'* **Columbus Montbretia**

Item #5745

Zone: 6 - 10

Arching spikes of bright yellow lily shaped flowers, rise on long stems over grass-like green foliage. Makes an excellent cut flower and adds dramatic impact to any border. Attracts butterflies. Reaches 32 in. tall, 18 in. wide.

## *Cuphea hyssopifolia* **Mexican Heather**

Item #3049

Zone: 8 - 11

Profuse purple flowers on a versatile, compact plant. Tidy plant with fine textured, glossy, bright green leaves. Re-blooms continuously well into fall. Good for edging and seasonal color in beds and borders. Popular container plant for pots and baskets. Fast growing to 2 ft. tall and wide.

## *Cuphea hyssopifolia 'Monshi'* **Itsy Bitsy® Lilac False Heather**

Item #8304

Zone: 9 - 11

A very dwarf, evergreen shrub formed by masses of twiggy branches holding tiny, glossy bright green leaves. Excellent choice for rock gardens, accents in borders. Nearly continuous bloom in the South. Slow growing, 8 to 12 in. tall and 18 to 24 in. wide,

Monrovia  
Exclusive

## *Cuphea hyssopifolia 'MonTroy'* **Itsy Bitsy® Rose False Heather**

Item #3012

Zone: 9 - 11

Dramatically larger, deep rose pink blooms make this exceptional newer selection a standout in flowering borders or en masse. Dense, compact habit means it never needs pruning - just enjoy the continuous display of blooms! Tender evergreen shrub. Slow growing, 8 to 12 in. tall and 18 to 24 in. wide.

*Cupressus macrocarpa 'Donard Gold'*  
**Donard Gold Monterey Cypress**

Item #4757  
Zone: 7 - 10

Upright branching Conifer has distinctive two-toned foliage which contrasts beautifully with cinnamon colored bark. Chartreuse new growth fringes the bright lemon yellow inner foliage. Fragrant foliage is reminiscent of citrus. Provides an attractive backdrop for low shrub beds. Makes a handsome tall hedge or screen. Evergreen. Slow growing to 20 to 30 ft. tall and 8 ft. wide; broader with age.

*Cupressus sempervirens 'Monsbel' P.P. #12,933 Tiny Tower®*  
**Tiny Tower® Italian Cypress**

Item #3073  
Zone: 7 - 10

A unique, compact form with exceptionally dense blue-green foliage. Maintains its narrow, columnar form and tidy, well-groomed appearance without pruning. Excellent for formal plantings or to provide structure at the back of the border. Makes a wonderful topiary or container specimen. Very slow growing to 25 to 30 ft. tall, 3 ft. wide.

*Cupressus sempervirens 'Swane's Golden'*  
**Swane's Golden Italian Cypress**

Item #3075  
Zone: 7 - 9

Very narrow, columnar form with magnificent bright, golden yellow new growth that retains good color throughout the season. A stunning specimen on its own, this selection makes great impact when planted in mass as an evergreen screen, windbreak, or tall hedge. Slow growing 15 to 20 ft. tall, 2 to 3 ft. wide.

*Cycas revoluta*  
**Sago Palm**

Item #6375  
Zone: 9 - 11

A very desirable evergreen plant displaying a stout trunk and long leaves with many narrow stiff leaflets. The leaves of this palm-like tree form an open rosette. Use for tropical accent and specimen. Extremely slow growing to 10 ft. tall and 8 ft. wide, with 3 to 6 ft. long fronds.

# Tropicals

New

## *Cynara scolymus 'Improved Green Globe'* **Improved Green Globe Artichoke**

Item #8891

Zone: 6 - 11

Harvest your own tender artichokes! Big flower buds that form at the tops of stalks may be cut for eating. If not cut, buds open to spectacular purple, thistle-like flowers, great for arrangements. Unique, highly textured grey-green foliage adds season-long interest. Fast growing, fountain-like form to 3 to 5 ft. tall and wide.

## *Dicksonia antarctica* **Tasmanian Tree Fern**

Item #3620

Zone: 9 - 11

A lovely fern having bright green fronds with a fine lacy texture. A dark brown trunk holds a spreading crown of feathery, arching fronds 3 to 6 ft. long. Beautiful accent for a tropical effect. Slow growing to 15 ft. tall and 12 ft. wide.

Monrovia  
Exclusive

## *Dietera x 'NolaAlba' P.P. #21,460* **KATRINA® African Iris**

Item #4674

Zone: 8 - 11

This superior selection has improved tolerance to heavy, poorly drained soil, heat and humidity, and is resistant to root and crown disease, unlike the species. Exotic white flowers with yellow-orange markings appear on tall stalks. Flowers seldom set seedpods, resulting in a longer bloom season. Foliage is a brighter green with wider and longer leaf blades. A portion of the proceeds benefits the America's Wetlands Foundation, helping to restore wetlands in Louisiana. Moderate growing to 2 to 3 ft. tall, 3 to 4 ft. wide.

## *Dodonaea viscosa 'Purpurea'* **Purple Hopseed Bush**

Item #3165

Zone: 8 - 11

Great color show, bronzy-green foliage turns deep purple-red in fall; pinkish fruit brightens summer. Dense branches can be trimmed as hedge or espalier; unpruned it makes a superb evergreen screen. Fast grower to 12 ft. tall, 6 to 8 ft. wide.

New

*Echeveria 'Perle von Nurnberg'*  
**Perle von Nurnberg Echeveria**

Item #7782

Zone: 9 - 11

Beautiful rosettes of soft grey-brown leaves with deep pink highlights are dusted in powdery white. Bright coral flowers emerge in summer on foot-long reddish stems, attracting hummingbirds. Adds beauty to rock gardens and succulent collections. Tolerant of heat and drought. Evergreen. Rosettes reach 8 to 10 in. tall and 6 to 8 in. wide.

New

*Echeveria agavoides 'Lipstick'*  
**Lipstick Echeveria**

Item #6921

Zone: 9 - 11

Bright green leaves with vivid reddish pink edges form dense rosettes. Reminiscent of an Agave, each leaf is tipped with a small spine. Compact and ground hugging, this clumping Succulent is beautiful in rock gardens and mixed succulent plantings. Clump forming, individual rosettes reach 6 in. tall and 6 to 12 in. wide.

New

*Echeveria elegans*  
**Mexican Snowball**

Item #7916

Zone: 9 - 11

With striking color and texture, this fast growing Succulent is a great choice for groundcover or rock garden. Tight blue-grey rosettes freely produce offsets to form dense mounds. Bright pink blooms on tall stems are adored by hummingbirds. Attractive in containers or as a house plant. Rosettes reach 8 in. tall, clumping to 12 in. wide.

New

*Echeveria nodulosa*  
**Painted Echeveria**

Item #6923

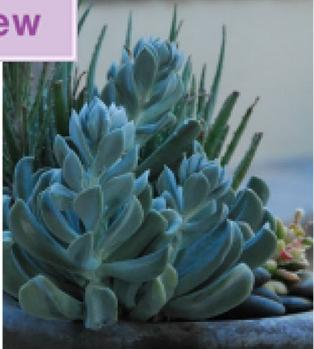

Zone: 9 - 11

Unique Succulent provides great contrast, with rosettes of absinthe green, vividly painted with red on margins and mid leaf. Yellow flowers bloom in summer atop tall bracts. Originally from Mexico, this low growing spreader thrives in dry, sandy soil, preferring cool sun to light shade. Rosettes 5 in. wide, clumps to 1 to 2 ft. tall, 2 to 3 ft. wide.

# Tropicals

New

*Echeveria runyonii*

**Retro Succulents® Topsy Turvy™ Echeveria**

Item #6348

Zone: 9 - 11

Intriguing Succulent with thick, blue-gray leaves that curve upward. Bright orange and yellow flowers rise above the foliage on tall arching inflorescence. Adds unique texture to rock gardens, borders and container gardens. Performs well in lean soils; drought tolerant once established. Fast grower to 8 to 12 in. tall and wide.

New

*Echeveria setosa*

**Firecracker Echeveria**

Item #7379

Zone: 9 - 11

Rosettes of slightly fuzzy, grey-green leaves slowly multiply to form dense clumps. Vivid red and yellow flowers rise above the foliage in spring and early summer. Native to Mexico, this handsome Succulent is durable and drought tolerant. Evergreen. Clumping to 3 to 6 inches tall and wide.

New

*Echeveria x Red Glo™*

**Retro Succulents® Red Glo™ Echeveria**

Item #7783

Zone: 9 - 11

Deep pink to red ruffled edges adorn gray-green succulent rosettes, gradually forming clumps to add wonderful texture and color to rock gardens and low borders. Well suited to containers, both indoor and out. Heat and drought tolerant once established. Clump forming, individual rosettes reach 6 to 8 in. tall and wide.

*Echinopsis oxygona*

**Easter Lily Cactus**

Item #3056

Zone: 8 - 11

Large pink flowers burst out from the white spine jeweled ribs of this cylinder shaped Cactus. Year-round beauty for an arid landscape or containers. Clumping habit, reaching 1 ft. tall and 2 ft. wide.

*Ensete ventricosum 'Maurelii'*  
**Red Leaved Banana**

Item #6200  
Zone: 10 - 11

Palm-like plant with huge broad foliage in compact rosettes atop tall stems. Wine-red coloring to the leaves. A popular choice for tropical-inspired gardens. Perfect for large patio containers. Evergreen in frost-free climates. Fast growing 12 to 15 ft. tall, 8 to 10 wide.

*Eucalyptus cinerea*  
**Silver Dollar Tree**

Item #3256  
Zone: 8 - 10

Attractive blue-green, coin-shaped juvenile leaves, opposite on the pendulous stems, excellent for cut foliage. A choice evergreen shade tree, withstanding heat, dry conditions and wind when established. Suitable as a container specimen for patio, conservatory, or in a bright indoor space. Fast growing to 35 to 40 ft. tall and wide.

*Eugenia myrtifolia 'Monterey Bay'*  
**Monterey Bay Brush Cherry**

Item #3342  
Zone: 9 - 11

Bold, lush appearance from a full branching, excellent tall evergreen screen or hedge. New growth remains bronze red over a long season. Creamy white brush-like flowers followed by rose purple fruit. Moderate growing 15 to 20 ft. tall, 8 to 10 ft. wide.

*Eugenia myrtifolia 'Variegata'*  
**Lemon Swirl® Australian Brush Cherry**

Item #2440  
Zone: 9 - 11

Bronze-red new foliage matures to deep green with an irregular white margin. Forms a dense hedge or screen that can be sheared for topiary or a formal appearance. Rose-purple fruit provides color and can be eaten fresh or used for jam. Evergreen. Slow to moderate growth to 15 to 20 ft. tall, 8 to 10 feet wide.

# Tropicals

## *Euonymus japonicus 'Chollipo'* **Chollipo Euonymus**

Item #3366

Zone: 6 - 9

Handsome, dense shrub with creamy leaf variegation makes an outstanding foundation plant, hedge or screen. Tightly branched growth habit is well suited to shearing into topiary form such as a pyramid, globe, or accent specimen. Tolerates poor soils, heat, and salt spray. Evergreen. Fast growing to 12 ft. tall, 6 ft. wide.

## *Euonymus japonicus 'Silver King'* **Silver King Euonymus**

Item #3520

Zone: 6 - 9

Excellent hedge plant with attractive, silvery white margins on glossy green leaves that adds unique color and texture to the landscape. Can be grouped to form a low screen. Tolerates poor soils and heat. Excellent topiary specimen for landscape or container. Evergreen. Moderate growing 6 ft. tall, 3 ft. wide.

## *Euryops pectinatus 'Munchkin'* **Dwarf Euryops**

Item #3556

Zone: 8 - 11

Dwarf, compact shrub with finely cut gray green leaves. Bright yellow daisy-like flowers cover this reliable performer most of the year in mild winter areas. Use as annual color in cold climates. Evergreen. Moderate grower to 3 ft. tall, 4 ft. wide.

## *Euryops pectinatus 'Viridis'* **Green-Leaved Euryops**

Item #3557

Zone: 8 - 11

An extended flowering season makes this one of the most popular evergreen shrubs. Bright yellow daisy-like blooms contrast with deep green leaves. Great colorful accent, super choice for containers. Fast growing 4 to 6 ft. tall and wide.

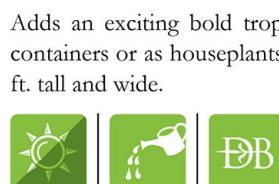

*Fatsia japonica*  
**Japanese Aralia**

Item #3564

Zone: 8 - 11

*Fatsia japonica 'Variegata' Camouflage™*  
**Camouflage™ Variegated Japanese Aralia**

Item #3303

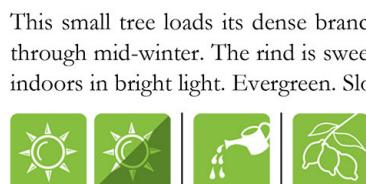

Zone: 7 - 10

*Fortunella margarita 'Nagami'*  
**Nagami Kumquat**

Item #2560

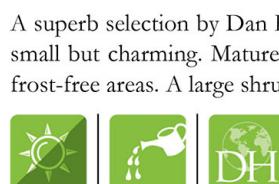

Zone: 9 - 10

*Fuchsia excorticata 'Kiwi Sheen'*  
**Kiwi Sheen Fuchsia**

Item #5062

Zone: 8 - 10

# Tropicals

New

## *Fuchsia hybrida 'DebRon's Black Cherry'* **DebRon's Black Cherry Fuchsia**

Item #5353  
Zone: 8 - 9

This new Fuchsia is a beauty in the garden from late spring until frost! Pendulous flowers with striking maroon sepals and dark purple-black petals contrast beautifully with glossy green foliage on a strong and upright form. Small purple-black berries add prolonged interest. Irresistible to hummingbirds and a great addition to background borders or patio containers. Moderate grower to 5 ft. tall and 4 ft. wide.

## *Gardenia jasminoides 'Aimee'* **First Love® Gardenia**

Item #3767  
Zone: 8 - 11

Wonderfully fragrant, double white 4 to 5 inch blooms are larger than any other variety! A superb evergreen accent shrub or container specimen, this selection is the first Gardenia to bloom in spring, and it continues to flower well into the growing season. Perfect for entryway plantings or in patio tubs, where the fragrance can be enjoyed. Compact growing 5 to 8 ft. tall and 3 to 6 ft. wide.

## *Gardenia jasminoides 'August Beauty'* **August Beauty Gardenia**

Item #3770  
Zone: 8 - 11

Prolific bloomer with large, sweetly fragrant, velvety white flowers. Lustrous foliage on a rounded evergreen shrub, useful as a low hedge, screen or accent for entryways. Wonderful in cut flower arrangements. Moderate growing 5 ft. tall and 3 ft. wide.

## *Gardenia jasminoides 'Frostproof'* **Frostproof Gardenia**

Item #4409  
Zone: 7 - 11

A more upright habit, supporting shiny, dark green leaves and fragrant, white 2 to 3 inch flowers make this a fine hedge or foundation plant that thrives with more direct sun than other varieties. Flower buds resist late spring frosts without damage. Slow growing to 5 ft. tall and 4 ft. wide.

*Gardenia jasminoides 'Kleim's Hardy'*  
**Kleim's Hardy Gardenia**

Item #3756  
Zone: 7 - 11

The hardiest of the Gardenias in a versatile, dwarf size. Great in containers, raised beds and in the foreground of borders. Flowers are star-like with five petals. Evergreen. Slow-growing, low mounded form to 2 to 3 ft. tall and wide.

*Gardenia jasminoides 'Veitchii'*  
**Everblooming Gardenia**

Item #3780  
Zone: 8 - 11

Highly prized for the profusion of sweetly fragrant blooms, excellent for cut flowers. Beautiful specimen, its upright branches are covered with glossy foliage. Terrific container plant. Evergreen. Grows to 4 ft. tall, 3 ft. wide.

*Gardenia jasminoides 'White Gem'*  
**White Gem Gardenia**

Item #3794  
Zone: 8 - 11

The sweet fragrance of Gardenias in a versatile, dwarf size. Great in containers, raised beds and in the foreground of borders. Flowers are star-like with six petals. Evergreen. Slow growing to only 1 to 2 ft. tall and wide.

*Gaura lindheimeri 'Passionate Rainbow' P.P.# 17,002*  
**Passionate Rainbow Gaura**

Item #3648  
Zone: 6 - 9

Rose pink flowers appear in profusion along slender stems, spring to fall. Compact, easy-care perennial has attractive green leaves, neatly edged in white. Outstanding heat and drought tolerance. Spot into rock gardens, perennial borders or containers. Grows to 24 to 30 in. tall and 12 to 15 in. wide.

# Tropicals

## *Gunnera tinctoria* **Chilean Prickly Rhubarb**

Item #3320

Zone: 7 - 9

Enormous, puckered leaves of this tropical, prehistoric plant emerge in spring, reaching six feet across or more, creating a dramatic waterside or greenhouse specimen. In late spring, a robust stalk bearing brownish-bronze inflorescence adds to the exotic appeal. Evergreen in frost-free areas. Huge leaves form a fast-growing clump 8 ft. tall and wide.

New

## *Hebe pimeleoides 'Quicksilver'* **Quicksilver Hebe**

Item #5103

Zone: 8 - 11

Unique small shrub with dark, nearly black, wiry limbs and tiny, silvery blue-grey leaves. Semi-creeping, with an open, airy habit, it looks lovely cascading off a rocky ledge. Small pale lilac flowers appear in summer. Easy to grow and wind tolerant; ideal in coastal areas. Makes a top-notch container plant in colder climates. Black stems are prized for cut flower arrangements. Evergreen. Grows to 1 ft. tall and 2 to 3 ft. wide.

## *Heliotropium arborescens 'Iowa'* **Iowa Heliotrope**

Item #4000

Zone: 9 - 11

Massive rounded clusters of deep purple, intensely fragrant flowers backed handsomely by foliage with a purple cast. A shrubby evergreen perennial. Excellent as an annual in all climates. Moderate growing to 2 to 3 ft. tall and wide.

## *Hibiscus rosa-sinensis 'Amour'* **Amour Hibiscus**

Item #4080

Zone: 10 - 11

This handsome evergreen shrub displays large single blooms all summer long. Prefers a warm sunny location and exceptional drainage. Adds an exotic, tropical look to the garden. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Moderate growing to 6 to 8 ft. tall and 4 to 5 ft. wide.

***Hibiscus rosa-sinensis 'Brilliant'***  
**Brilliant Hibiscus**

Item #4090  
Zone: 10 - 11

This hot-red Hibiscus will be the most potent color in your garden! Adds interest to far-away spots, or plant closer to get a good look at the huge flowers. Plant as a specimen to highlight entries or gateways. A good cover for bare walls and spaces between windows. Vigorous grower to 8 to 10 ft. tall; 4 to 6 ft. wide.

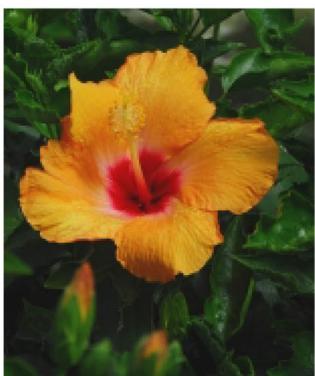

New

***Hibiscus rosa-sinensis 'C'est Bon'***  
**C'est Bon Cajun Hibiscus**

Item #5524  
Zone: 10 - 11

Huge rosy-pink flowers edged in white provide a nearly non-stop show from spring to fall; nearly year-round in mild climates. This exotic tropical Hibiscus has glossy, evergreen foliage on a well-branched, compact form. Perfectly suited to containers, and a great choice for beds and borders in frost-free areas. Moderate growing to 2 to 3 ft. tall and wide.

***Hibiscus rosa-sinensis 'Cherie'***  
**Cherie Hibiscus**

Item #4098  
Zone: 10 - 11

This handsome shrub displays bright, nearly fluorescent golden-yellow blooms all summer long. Adds an exotic, tropical look to the garden. Heat and sun loving. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Evergreen. Moderate growing to 6 to 8 ft. tall and 3 to 4 ft. wide.

***Hibiscus rosa-sinensis 'Crown of Bohemia'***  
**Crown Of Bohemia Hibiscus**

Item #4103  
Zone: 10 - 11

Evergreen shrub valued for its very full double blooms; petals golden-yellow with deep orange-red throat. A very showy accent specimen, also ideal for screening and containers. Moderate growing to 8 to 10 ft. tall and 4 to 6 ft. wide.

# Tropicals

## *Hibiscus rosa-sinensis 'Empire'* **Empire Hibiscus**

Item #4111

Zone: 10 - 11

This handsome shrub displays bright showy single blooms all summer-long. Adds an exotic, tropical look to the garden. Performs best in warm temperatures. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Evergreen. Moderate growing to 6 to 8 ft. tall and 5 to 6 ft. wide.

## *Hibiscus rosa-sinensis 'Erin Rachel'* **Erin Rachel Hibiscus**

Item #2520

Zone: 10 - 11

This handsome evergreen shrub displays 4 to 5 inch flowers of hot neon orange blending into vibrant pink with a rich magenta center. Slow-growing, compact habit makes this a perfect patio container specimen. Evergreen. Reaches 5 to 6 ft. tall, 3 to 4 ft. wide.

## *Hibiscus rosa-sinensis 'Fiesta'* **Fiesta Hibiscus**

Item #4115

Zone: 10 - 11

This evergreen shrub displays large single blooms of bright orange petals with crinkled edges that quickly change to a blush red eye zone over a white background. Use for screening or specimen. Moderate growing to 6 to 8 ft. tall and 6 ft. wide.

## *Hibiscus rosa-sinensis 'Golden Dust'* **Golden Dust Hibiscus**

Item #4125

Zone: 10 - 11

More compact than others, with glossy foliage and showy tropical blooms, this is a perfect choice for small gardens, patios and courtyards. Bright gold and yellow splashed petals have ruffled edges. This sun and heat-loving evergreen shrub makes a great container specimen or colorful background hedge. Moderate growing to 4 to 6 ft. tall, 3 to 4 ft. wide.

New

*Hibiscus rosa-sinensis 'Heat Flash'*  
**Heat Flash Cajun Hibiscus**

Item #5525  
Zone: 10 - 11

Count on this hot Cajun selection for vigorous glossy green foliage and tropical blooms, even through the heat of summer. Large, bright golden-yellow flowers have deep pink centers. This exotic hybrid makes a wonderful tub specimen, and is tough enough to be used in landscape borders and beds. Evergreen. Moderate grower to 4 to 6 ft. tall and wide.

Monrovia  
Exclusive

*Hibiscus rosa-sinensis 'Hiroshi'*  
**Red Darling® Hibiscus**

Item #9142  
Zone: 10 - 11

One of the best red Hibiscus we've seen! A profuse bloomer, with exceptionally vigorous upright growth and glossy deep green foliage. Large, tropical flowers are a tantalizing mixture of velvety red with a creamy-coral reverse. A large red pistil holds bright gold pollen, inviting hummingbirds to the garden. Bred by Hiroshi "Hiro" Kuwabara. Moderate growing to 6 to 8 ft. tall and 3 to 4 ft. wide.

*Hibiscus rosa-sinensis 'Hula Girl'*  
**Hula Girl Hibiscus**

Item #4130  
Zone: 10 - 11

This attractive shrub is valued for its profusion of large single rich yellow blooms having a touch of bright red in the throat. Showy flowers stay open several days. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Evergreen. Moderate growing to 6 to 8 ft. tall and 3 to 4 ft. wide.

New

*Hibiscus rosa-sinensis 'Kiss & Tell'*  
**Kiss & Tell Hibiscus**

Item #6058  
Zone: 9 - 10

Extravagant, 6 to 7-inch velvet red flowers are sure to bring an exotic touch to any garden. Even darker red toward the center, each bloom has a deep yellow anther, attracting hummingbirds and butterflies. This prolific bloomer has glossy, dark green, broadly heart-shaped leaves on a vigorous, rounded form. Excellent landscape or patio container specimen. Reaches 6 to 8 feet tall.

Exclusive

## *Hibiscus rosa-sinensis 'Mongon'* **Red Dragon® Hibiscus**

Item #4150

Zone: 10 - 11

This handsome evergreen shrub displays a profusion of double, scarlet red blooms all summer long. An outstanding selection for bold, exotic color in tropical gardens. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Prefers a warm sunny location and exceptional drainage. Evergreen. Moderate growing to 6 to 8 ft. tall and 3 to 4 ft. wide.

Monrovia  
Exclusive

## *Hibiscus rosa-sinensis 'MonHope'* **Flamenco Flame™ Hibiscus**

Item #1737

Zone: 10 - 11

Spectacular 4 to 5 inch, rich ruby red double flowers stand out against the lush, green foliage when temperatures are warm. Versatile plant for screening, background and containers. Evergreen. Moderate grower to 6 to 7 ft. tall, 5 ft. wide.

Monrovia  
Exclusive

## *Hibiscus rosa-sinensis 'Monoon'* **Fullmoon® Hibiscus**

Item #4120

Zone: 10 - 11

This handsome shrub produces a profusion of bright yellow fully double blooms all summer long. Adds an exotic, tropical look to the garden. Heat and sun loving. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Evergreen. Moderate growing to 4 to 6 ft. tall and 3 to 4 ft. wide.

## *Hibiscus rosa-sinensis 'Monora'* **Bridal Veil® Hibiscus**

Item #4087

Zone: 10 - 11

Valued for its large single blooms, each lasting 3 to 4 days. A very showy accent ideal for screening, background specimens, or containers. Evergreen. Moderate growing to 6 to 8 ft. tall, 5 to 6 ft. wide.

***Hibiscus rosa-sinensis 'Monsa'***  
**Powder Puff® Hibiscus**

Item #4135  
Zone: 10 - 11

This handsome shrub displays double, puff ball-shaped blooms all summer long. Flowers are pink-tinged in cooler weather. Adds an exotic, tropical look to the garden. Heat and sun loving. Versatile plant makes an ideal hedge, screen or background specimen. Well suited to containers. Evergreen. Moderate growing to 8 to 10 ft. tall, 4 to 6 ft. wide.

***Hibiscus rosa-sinensis 'Seminole'***  
**Seminole Single Hibiscus**

Item #3979  
Zone: 10 - 11

Large, vibrant pink flowers 6 to 8 in. across appear on this evergreen shrub throughout the warm months. Excellent as a colorful screen, in containers and in the background of a shrub border. Moderate growing to 8 to 10 ft. tall, 4 to 6 ft. wide.

***Hibiscus rosa-sinensis 'The Path'***  
**The Path Hibiscus**

Item #4159  
Zone: 10 - 11

This handsome evergreen shrub displays large 7 inch flowers of buttercup yellow blending into a bright pink center. Large, heavy textured leaves add to its usefulness as a screen or background plant. Moderate growing to 6 to 8 ft. tall, 4 to 5 ft. wide.

New

***Hibiscus rosa-sinensis 'Whipped Cream'***  
**Whipped Cream Cajun Hibiscus**

Item #5531  
Zone: 10 - 11

Delectable, creamy white blooms are up to 7 inches across, with deep pink throats and soft pink ruffled edges. Dark green, wavy leaves cover an upright, well branched form. This tropical Hibiscus makes a excellent patio specimen, yet is tough enough for the summer garden, where it will add an exotic touch to beds and borders. Evergreen in frost free areas. Moderate growing to 6 to 8 ft. tall and wide.

Exclusive

## *Hydrangea aspera* **Plum Passion® Hydrangea**

Item #5645

Zone: 7 - 10

This first ever purple leaved Hydrangea is an exciting addition to American gardens! Discovered in China, this unique shrub was brought to Monrovia by plant explorer Dan Hinkley. Foliage emerges greenish-purple, aging to deep purple on the upper side of the leaf and rosy purple on the underside. Wispy, mid-sized flowers are somewhat insignificant in contrast with the dramatic, colorful foliage. Excellent fall color. Deciduous. Reaches 5 to 6 ft. tall and wide.

## *Jasminum nitidum* **Angel Wing Jasmine**

Item #4655

Zone: 10 - 11

Attractive spreading shrubby, vine-like groundcover displays an abundance of large, fragrant, pinwheel-like flowers, white with purple undersides. Excellent choice for cascading containers. Evergreen. Moderate grower to 10 to 15 ft. long, 3 to 4 ft. wide.

## *Jasminum sambac* **Arabian Jasmine**

Item #7178

Zone: 9 - 10

This bushy vine or scrambling shrub has intensely fragrant little white flowers that bloom year-round in warmer climates. The flowers open at night and close in the morning, fading to pink as they age. Widely grown throughout the tropics as an ornamental plant and for its strongly scented flowers. Wonderful container plant. Reaches 6 to 8 ft. tall, 3 to 4 ft. wide.

## *Jasminum sambac 'Grand Duke'* **Grand Duke Arabian Jasmine**

Item #4663

Zone: 10 - 11

Wonderfully fragrant clusters of creamy-white, button-like double flowers are used in Hawaii to make special leis. Ideal for warm, humid areas, this tropical, evergreen shrub may bloom nearly year-round in frost-free areas. Compact form produces vine-like stems, making it perfect for clipped hedge, small trellis or espalier specimen. Slow growing to 6 to 10 ft. tall, 3 to 5 wide.

Monrovia  
Exclusive

***Jatropha integerrima 'Compacta Pink'***  
**Petite Pinkie™ Spicy Jatropha**

Item #5467  
Zone: 9 - 11

Attract butterflies in droves with this showy tropical shrub! Clusters of bright pink flowers cover the branch tips nearly year-round in mild climates. Bronze new foliage matures to vivid, glossy green. A compact, carefree choice for shrub borders or small specimen. Well suited to containers, indoors or out. Evergreen in frost free areas. Fast grower 4 to 6 ft. tall, 3 to 5 ft. wide; as a tree, may reach 8 to 10 ft. tall with age.

***Jatropha integerrima 'Compacta'***  
**Compact Spicy Jatropha**

Item #4666  
Zone: 10 - 11

Clusters of rich rose-red flowers appear at the branch tips of this tropical evergreen shrub. Excellent compact hedge or border accent. Bronze new foliage turns to vivid green with age. This easy-care shrub makes a great patio tub specimen. Also suitable for indoor use. Fast grower 4 to 6 ft. tall, 3 to 5 ft. wide; slightly taller with age.

***Justicia brandegeana***  
**Shrimp Plant**

Item #5409  
Zone: 9 - 11

A terrific tropical element to use in pots on patios, or feature in entryways. Blooming nearly year-round, bright rosy-pink to salmon-colored shrimp-like flower bracts are sure to grab attention. This clump-forming shrub requires little care other than occasional trimming. Evergreen in frost-free areas. Moderate grower to 3 to 4 ft. tall and wide.

New

***Kalanchoe thyrsiflora 'Desert Rose'***  
**Desert Rose Paddle Plant**

Item #6940  
Zone: 9 - 11

Noted for its distinctive round foliage, this Succulent has chalky blue-green leaves tinged with red. Color intensifies in full sun. Clusters of yellow tubular flowers on spikes appear on mature plants in spring. Provides great color and texture to rock gardens or xeriscapes. Easily grown in containers and suitable as a houseplant. Clumps to 12 to 18 in. tall and wide

# Tropicals

## *Lantana 'Chapel Hill Yellow' P.P. # 19,548* **Chapel Hill Yellow Lantana**

Item #5663

Zone: 8 - 11

Exceptionally cold hardy selection with established clumps surviving to 0 F°. Low spreading form is excellent for mass and hillside plantings or patio containers. Showy bright yellow flowers cycle during warm season. Evergreen except in temperate climates below freezing. Perennial. Reaches 16 to 18 in tall, 24 to 36 in. wide.

Monrovia  
Exclusive

## *Lantana 'Mary Ann'* **Mary Ann Lantana**

Item #5664

Zone: 7 - 11

This new Lantana was selected for improved cold hardiness and its compact growth habit. It has multicolor orange, yellow and pink flower clusters blooming from spring to late fall. Evergreen. Herbaceous perennial in temperate climates below freezing. Compact shrub 30 inches tall and wide.

## *Lantana camara 'American Red'* **American Red Bush Lantana**

Item #5661

Zone: 9 - 11

Profuse red and yellow color year-round! Useful as substitute for annuals in flower beds or containers. Excellent low hedge or accent shrub. Very attractive to butterflies. Tolerates heat, drought. Moderate grower to 4 to 6 ft. tall and wide.

Monrovia  
Exclusive

## *Lantana camara 'Monike' P.P. #17,612* **Teenie Genie® Compact Lantana**

Item #2446

Zone: 9 - 11

An extremely dense and compact shrub with a continuous display of festive multi-colored flowers which open chiffon yellow and transition to fuchsia pink. Symmetrical form requires no pruning. Flowers year-round in warmer climates, making it a superb choice for containers, mass plantings and edging. Evergreen. Naturally forms a compact mound 30 in. tall and wide with no pruning!

***Lantana camara 'Mozelle'***  
**Mozelle Lantana**

Item #0913  
Zone: 10 - 11

Vigorous, sprawling perennial shrub or groundcover with masses of multi-colored pink and yellow blooms from summer to fall. Perennial in warm climates, annual where cooler. Bright color for bedding areas, containers or baskets. Moderate grower to 2 ft. tall and 4 ft. wide.

***Lantana camara 'Robpatrai' P.P. # 9,837***  
**Patriot™ Rainbow Compact Lantana**

Item #5688  
Zone: 9 - 11

Profuse color year-round from rich multi-colored flowers! Useful as substitute for annuals in flower beds or containers. Excellent low hedge or accent shrub. Attracts butterflies. Moderate growing to 12 in. tall, spreading to 15 in. wide.

Monrovia  
Exclusive

***Lantana sellowiana 'Monswee'***  
**Lavender Swirl® Trailing Lantana**

Item #5723  
Zone: 9 - 11

Profusion of both pure white and solid purple flowers cover this widely spreading groundcover year round! Good bank cover, erosion control. Effective cascading over raised beds, hanging baskets and containers. Moderate grower to 8 to 12 in. tall, 3 to 6 ft. wide.

Monrovia  
Exclusive

***Lantana x 'Mone'***  
**Tangerine™ Spreading Lantana**

Item #5720  
Zone: 9 - 11

Profuse color year round from masses of bright tangerine-colored flowers! Beautiful spreading form, useful in flower beds or containers. Excellent groundcover, accent shrub, or trailing plant over containers and walls. Works well as a tropical annual in temperate climates. Moderate grower to 2 to 3 ft. tall, 6 to 8 ft. wide.

# Tropicals

Monrovia  
Exclusive

## *Lantana x 'Monet'* **Spreading Sunset® Lantana**

Profuse color year-round from masses of vivid orange-red flowers! Beautiful spreading form, useful in flower beds or containers. Excellent low hedge, groundcover or accent shrub. Tolerates heat. Moderate grower to 2 to 3 ft. tall, 6 to 8 ft. wide.

Monrovia  
Exclusive

## *Lantana x 'Moni'* **Confetti™ Spreading Lantana**

Profuse color year-round from masses of pink, yellow and magenta flowers! Beautiful spreading form, useful in flower beds or containers. Excellent low hedge or accent shrub. Tolerates heat, drought. Moderate grower to 2 to 3 ft. tall, 6 to 8 ft. wide.

New

## *Lavandula 'Regal Splendour'* **Regal Splendour Lavender**

Considered by many to be the best, deepest purple lavender on the market! Luxuriant, velvet-purple flower spikes rise above wonderfully compact foliage. This superior hybrid selection is perfectly sized for borders or containers, providing a long season of color and fragrance. Perennial. Moderate growth 2 to 2 1/2 ft. tall, 1 to 2 ft. wide.

## *Lavandula stoechas 'Larkman Hazel' P.P. #20,894* **Hazel™ Spanish Lavender**

Fragrant, large, vibrant bluish-purple flowers complement the gray-green finely textured foliage. Less vulnerable to falling open with age than other lavenders. Ideal for borders, cottage gardens and containers. Evergreen. Moderate growth 30 in. tall, 2 ft. wide.

Item #5705

Zone: 9 - 11

Item #5695

Zone: 9 - 11

Item #6818

Zone: 7 - 9

Item #1784

Zone: 7 - 9

***Lavandula stoechas 'Winter Bee' P.P. #20,840***  
**Winter Bee Spanish Lavender**

Item #2659  
Zone: 7 - 9

The primary stems as well as side branches produce rich dark purple fragrant flowers, creating a greater display than other Spanish Lavenders. This robust selection also survives hot humid and cold wet weather. An easy-care shrub for borders and gardens. Dense, mounding form 20 to 28 in. tall, 18 to 36 in. wide.

***Ligustrum japonicum 'Texanum'***  
**Waxleaf Privet**

Item #5820  
Zone: 7 - 11

Compact habit with glossy foliage responds well to pruning into topiary or small standard trees. Displays profusion of white blooms. Useful hedge, screen or windbreak. Good in containers. Evergreen. Fast grower to 8 to 10 ft. tall, 4 to 6 ft. wide.

***Lithodora diffusa 'Grace Ward'***  
**Grace Ward Lithodora**

Item #5894  
Zone: 6 - 9

Beautiful, deep blue flowers cover this wonderful groundcover or rock garden accent. Sprawling with a slightly mounded form. Likes some shade in extremely hot areas. Reaches 6 to 12 in. tall, spreading 3 to 4 ft. wide.

***Loropetalum chinense 'Chang Nian Hong'***  
**Ever Red® Fringe Flower**

Item #3742  
Zone: 7 - 9

Vivid deep red flowers combine with extremely dark burgundy foliage to create a stunning, compact shrub. An exceptional foundation plant. Use to create high contrast effects in beds and borders. Evergreen. Reaches 6 ft. tall and wide.

# Tropicals

## *Loropetalum chinense 'Sizzling Pink'* **Sizzling Pink Fringe Flower**

Item #5919

Zone: 7 - 9

Clusters of rich, pink fringed flowers repeat throughout the year. Showy new growth is deep burgundy remaining purple tinged all year. Use as a colorful accent in borders and containers. Evergreen. Reaches 4 to 6 ft. tall, 4 to 5 ft. wide.

## *Mandevilla 'Bride's Cascade' P.P.A.F.* **Bride's Cascade Mandevilla**

Item #8580

Zone: 10 - 11

Vigorous, tropical evergreen vine valued for better natural branching and disease resistance. Exotic white blooms appear almost year-round in warm climates on fences or arbors. Treat as an annual or grow in containers in cold winter climates. Vigorous vine with 10 to 15 ft. naturally branching stems.

New

## *Mandevilla 'Sunmandecos' P.P.# 15,202* **Sun Parasol® Giant Pink Mandevilla**

Item #5708

Zone: 10 - 11

Pale pink, 4 to 6 inch blooms appear on this twining vine from early summer through first frost. Glossy, large, deep green foliage, extended bloom, and resistance to humidity, pests and disease make this a great addition to arbors and trellises around your deck and patio. Stems 6 to 8 feet long.

New

## *Mandevilla 'Sunmandeho' P.P.#11,556* **Sun Parasol® Giant White Mandevilla**

Item #5706

Zone: 10 - 11

Snowy white, 4 to 6 inch blooms appear on this twining vine from early summer through first frost. Glossy, large, deep green foliage, extended bloom, and resistance to humidity, pests and disease make this a great addition to arbors and trellises around your deck and patio. Stems 6 to 8 feet long.

New

***Mandevilla 'Sunmanderemi'* P.P. # 16,449**  
**Sun Parasol® Pretty Crimson Mandevilla**

Item #5709  
Zone: 10 - 11

With its deep red deep 2 to 3 inch flowers, strong growth habit and abundance of flowers, this is a top seller! Its superior branching and somewhat compact habit make it an ideal choice for trellises, hanging baskets and containers with climbing support. Evergreen tropical. Moderate grower with stems to 6 to 8 feet long.

New

***Mandevilla 'Sunparaprero'* P.P. # 19,399**  
**Sun Parasol® Pretty Pink Mandevilla**

Item #5707  
Zone: 10 - 11

Delicate pink 2 to 3 inch flowers are backed by glossy green foliage. Its superior branching and somewhat compact habit make it an ideal choice for trellises, hanging baskets and containers with climbing support. Evergreen tropical. Moderate grower with stems to 6 to 8 feet long.

Monrovia  
Exclusive

***Mandevilla sanderi 'MonProud'* P.P. # 15,359**  
**Strawberry Lemonade® Mandevilla**

Item #3700  
Zone: 10 - 11

Spectacular green and creamy white foliage is pink tinged as it emerges. Twining branches hold a profusion of deep pink funnel-shaped flowers with bright yellow throats. Excellent in hanging baskets. Evergreen. Low growing, shrub-like vine, moderate growing, stems to 6 to 8 ft. long.

***Mandevilla sanderi 'Red Riding Hood'***  
**Red Riding Hood Mandevilla**

Item #6124  
Zone: 10 - 11

Spectacular color from low-growing, shrub-like vine. Twining branches hold a profusion of deep pink funnel-shaped flowers with bright yellow throats. Excellent in hanging baskets or containers. Evergreen. Moderate grower, stems to 6 to 8 ft. long.

# Tropicals

**Mandevilla x 'Sunmandecrikin' P.P. # 17,736**  
**Sun Parasol® Giant Crimson Mandevilla**

Item #6123

Zone: 10 - 11

With the largest flowers of the Sun Parasol series, up to 4 to 6 inches, and large, glossy, deep green leaves which form a bushy vine, this selection is excellent for patio containers and trellises. Evergreen tropical. Bushy vine with stems 10 to 15 ft. long.

**Mandevilla x 'Sunmandecrim' P.P. # 15,539**  
**Sun Parasol® Crimson Mandevilla**

Item #4501

Zone: 10 - 11

Excellent for patio containers and trellises, this selection's large, glossy foliage forms a bushier vine with larger trumpet-shaped flowers than other forms. Evergreen tropical. Bushy vine with stems 10 to 15 ft. long.

New

**Mandevilla x 'Sunparacoho' P.P. # 22,695**  
**Sun Parasol® White Mandevilla**

Item #7264

Zone: 10 - 11

This fast growing evergreen tropical features a bounty of long-lasting 2 to 3 inch wide pure white flowers with yellow throats. Its glossy green foliage and twining habit make it an excellent candidate for trellises, containers and hanging baskets. Moderate grower with stems to 6 to 8 ft. long

**Mandevilla x amabilis 'Alice du Pont'**  
**Alice Du Pont Mandevilla**

Item #6120

Zone: 10 - 11

Twining evergreen vine displays unusual trumpet-like flowers, ice pink with darker pink throat. Each flower lasts for several days. A lovely choice for a trellis or arbor. Prefers partial shade. Twining stems to 15 to 20 ft. long.

*Mandevilla x amabilis 'Magic Dream'*  
**Crimson Jewel® Mandevilla**

Item #1660  
Zone: 10 - 11

One of the reddest Mandevillas available with show stopping crimson red trumpet-like flowers that slowly fade to deep fuchsia. Will bloom year round in warm climates. Each flower lasts for several days. A twining vine for a trellis or arbor. Twining stems 15 to 20 ft. long.

Monrovia  
Exclusive

*Mandevilla x amabilis 'Monite' P.P. # 12,123*  
**Moonlight Parfait® Mandevilla**

Item #6121  
Zone: 10 - 11

Enormous trumpet-shaped semi-double blossoms occur all summer, and even longer in frost-free zones. Pink buds open to white, trumpet shaped blooms with a rose-like double center that is iridescent under moonlight. Cooler temperatures cause flowers to blush pink. This vigorous plant with glossy, green leaves will climb into trellis, lattice or arbor, and even drape over fences. Fast growing stems 15 to 20 ft. long

Monrovia  
Exclusive

*Mandevilla x amabilis 'Monrey' P.P. #14,290*  
**Tango Twirl® Mandevilla**

Item #6129  
Zone: 10 - 11

Spectacular, delicate soft pink, fully double flowers are held in upright clusters and enhanced by large, deep green, glossy leaves. A lovely choice for trellis or arbor. Twining stems to 15 to 20 ft. long.

Monrovia  
Exclusive

*Mandevilla x amabilis 'Rita Marie Green' P.P. #11,787, UP*  
**#6,300,547**

Item #6119  
Zone: 10 - 11

**Pink Parfait® Mandevilla**

Twining evergreen vine displays unusual, double, trumpet-like pink flowers. Each flower lasts for several days. A lovely choice for a trellis or arbor. Twining stems to 15 to 20 ft. long.

# Tropicals

## *Mascagnia macroptera* **Butterfly Vine**

Item #4529

Zone: 8 - 10

This evergreen vine bears dark green leaves and in late spring, the plant produces clusters of showy yellow, 1 in. wide, orchid-shaped flowers. A second flowering will often occur in the autumn. This heat loving vine can grow on a trellis without support or can be grown as a mounding shrub or groundcover. Fast growing 10 to 12 ft. long.

New

## *Melianthus major 'Antonow's Blue'* **Antonow's Blue Honey Bush**

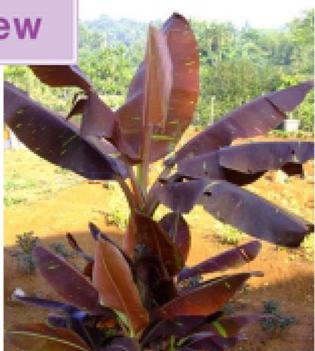

Item #5129

Zone: 7 - 11

From Monrovia's Dan Hinkley Collection®, this selected form of Giant Honey Bush has powdery blue, highly textural foliage. In late spring, spikes of deep burgundy, nectar rich flowers attract numerous bird species to the garden. This represents one of the hardiest clones of this species. Evergreen in warmer climates. Moderate growing to 8 ft. tall.

New

## *Musa 'Siam Ruby'* **Siam Ruby Banana**

Item #7252

Zone: 9 - 10

Huge, tropical, ruby red leaves are splashed with bright lime green, each offering a unique pattern of colors. Young plants start out more green and color intensifies with sun exposure. Thrives in hot, humid areas. Perfect for poolside plantings as a backdrop to smaller tropical plants. Stunning in large patio containers. Deciduous. Fast grower to 6 to 8 ft. tall, clumps to 4 to 6 ft. wide.

## *Musa acuminata 'Enano Gigante'* **Dwarf Giant Banana**

Item #6193

Zone: 10 - 11

A versatile, dwarf form with large dark green leaves and red markings on juvenile foliage. Mature leaves are solid green. Produces bunches of delicious fruit. Shorter stature limits wind damage. Ideal specimen in a perennial or tropical border. Perennial. Fast growing clumps to 6 to 8 ft. tall and wide.

*Musa acuminata 'Zebrina'*  
**Blood Banana**

Item #6194  
Zone: 10 - 11

Spectacular blue-green leaves striped with red. Large, heavy clusters of yellow flowers with red-purple bracts. Good in containers; useful near pools. Can bear small, sweet bananas. Perennial. Fast grower to 6 to 8 ft. tall and wide.

Monrovia  
Exclusive

*Olea europaea 'Montra' P.P.# 6,266*  
**Little Ollie® Dwarf Olive**

Item #6304  
Zone: 8 - 11

Dwarf, non-fruiting olive with a graceful, multi-branching habit. Deep green leaves have lighter silvery-green undersides. Attractive as a formal clipped hedge or featured as a specimen shrub, shaped to show off natural character. Excellent in topiary form, or trained as a single trunk tree in smaller spaces. Heat, drought and salt tolerant. Evergreen. Moderate growing to 4 to 6 ft. tall and wide.

New

*Opuntia basilaris hyb. 'Baby Rita'*  
**Baby Rita Prickly Pear**

Item #6950  
Zone: 7 - 11

Exceptional dwarf hybrid with brilliant carmine colored flowers in a small padded, purple skinned prickly pear. Thrives from the coast to inland deserts, and even into high altitude mountain areas! Loaded with spring blooms, the purple foliage intensifies in winter, providing year-round interest. A fantastic sun and heat loving selection for waterwise gardens. Slow grower to 8 in. tall, spreading to 24 in. wide.

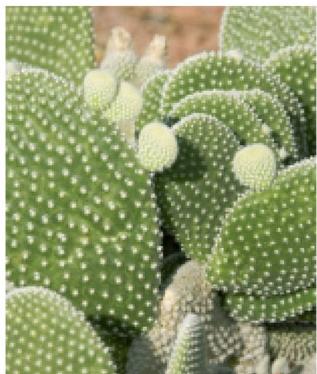

*Opuntia microdasys*  
**Bunny Ears**

Item #3915  
Zone: 8 - 11

New pads are red and appear in pairs, like the ears of a rabbit, and soon mature to dark green. Yellow flowers, easy care and unique architectural form make this valuable as a specimen, patio container or security barrier plant. Evergreen. Mounding, segmented cactus 3 to 4 ft. tall, 4 to 5 ft. wide.

# Tropicals

## *Opuntia microdasys 'Albispina'* **Polka Dot Prickly Pear**

Item #3491

Zone: 8 - 11

Tiny white contrasting spines cover the green pads, resembling polka dots. Yellow flowers, easy care and unique architectural form make this a valuable specimen, patio container subject or security barrier. The fine spines are light to the touch, but use care, as they can become a skin irritant. For this reason, it is not recommended for areas accessible to pets. Evergreen. Mounding, segmented cactus 3 to 4 ft. tall, 4 to 5 ft. wide.

## *Opuntia santa-rita 'Tubac'* **Santa Rita Tubac™ Prickly Pear**

Item #2546

Zone: 8 - 11

Large yellow flowers rest on the outer edges of spine covered pads. In the winter the pads turn to a rich purple color and return to a soft blue gray with warmer weather. Year-round beauty for an arid landscape or containers. Moderate to slow growing to 4 ft. tall, 6 ft. wide.

## *Otatea acuminata aztecorum* **Mexican Weeping Bamboo**

Item #1140

Zone: 9 - 11

A rare ornamental bamboo useful for tall, dense screens or single accents where space allows. Extremely narrow leaves give an overall lacy look to the weeping form. Evergreen. Fast growing to 15 to 20 ft. tall, clump forming.

New

## *Pachyphytum hookeri* **Hooker's Pachyphytum**

Item #7918

Zone: 9 - 11

Versatile, easy care Succulent, perfect for tucking into containers, dry beds and rockery. Plump, olive-green leaves have a silvery sheen and form tight, stemless rosettes, adding unique color and texture to garden or patio. Reaches 4 to 6 in. tall and wide. Slowly spreads by forming offsets.

*Pandorea jasminoides 'Charisma'*  
**Charisma Bower Vine**

Item #3372  
Zone: 9 - 11

Evergreen twining branches hold glossy bright green leaves with cream edging creating a perfect background for the flowers. Soft pink trumpet-shaped blooms have rosy purple throats for a lovely effect. Grow on a trellis to cover walls or fences. Fast-growing climber with twining stems 15 to 25 ft. long.

*Pandorea jasminoides 'Lady Di'*  
**White Bower Vine**

Item #6415  
Zone: 9 - 11

Evergreen twining branches hold glossy bright green foliage creating a perfect background for showy flowers. White trumpet-shaped blooms have creamy-yellow throats and are followed by long, narrow seedpods. Perfect for training on trellis or arbor. Makes a beautiful fence or wall cover. Evergreen in frost-free areas. Fast growing to 15 to 25 ft. long.

*Pandorea jasminoides 'Rosea'*  
**Pink Bower Vine**

Item #6413  
Zone: 9 - 11

Evergreen twining branches hold glossy bright green compound foliage creating a perfect background for the flowers. Bright pink trumpet-shaped blooms have rose-pink throats for a lovely effect. Fast growing to 15 to 25 ft. long.

*Passiflora caerulea*  
**Blue Passion Vine**

Item #6079  
Zone: 6 - 10

One of the hardiest of the Passifloras, this stunning vine clings by tendrils that gracefully wind around trellis or arbor, creating a quick deep green screen that produces ornate, lightly scented flowers. Ruffled outer petals and sepals surround an intricately arranged center ring of blue, white and purple. Oval, orange fruit is edible. Evergreen in frost free areas. Fast growing vine, 10 to 15 ft. tall in one season.

# Tropicals

## *Passiflora x 'Lavender Lady'* **Lavender Lady Passion Flower**

Item #6401

Zone: 9 - 11

Twining stems display spectacular long lasting purple-blue fragrant blooms with an exotic shape. Popular climber good on fences and walls or along eaves. Can be grown indoors. Evergreen. Fast-growing stems to 15 to 20 ft. long.

New

## *Pennisetum setaceum 'Fireworks' P.P. # 18,504* **Fireworks Fountain Grass**

Item #2220

Zone: 9 - 11

Colorful, upright growing grass with variegated stripes of white, green, burgundy and hot pink running the length of the blade. Purple tassles appear in summer. Plant as a specimen or in mass for a stunning display of color. A great addition to containers and beds near your patio or deck. Moderate growing, 3 ft. tall and 2 ft. wide.

## *Pennisetum setaceum 'Rubrum'* **Purple Fountain Grass**

Item #6427

Zone: 8 - 11

Popular, drought tolerant grass forms neat clumps of purplish maroon blades. Topped by rose red flower spikes summer through fall. Beautiful as landscape specimen or planted in groups. Provides quick annual color in any climate. Perennial in warm climates. Reaches 2 to 4 ft. tall, 2 to 3 ft. wide.

New

## *Pennisetum setaceum 'Sky Rocket' P.P. #21,497 CPBR4208* **Sky Rocket Fountain Grass**

Item #2226

Zone: 9 - 11

Green leaves with white striped margin form an attractive vase-like clump. Blooms rise above the plant, appearing as smoky pink plumes that turn cream as they age. Because the plumes are sterile, blooms continue from midsummer through mid-fall. reaches 2 to 3 ft. tall, up to 3 ft. wide.

*Phoenix canariensis*  
**Canary Island Date Palm**

Item #6381  
Zone: 9 - 11

A heavy-trunked Palm with dense gracefully arching fronds. Striking form makes a bold statement in the tropical landscape or indoors. Good on slopes, in parks or along streets. Will grow in containers for many years when young. Grows slowly to 50 to 60 ft. tall and 40 ft. wide.

*Phormium tenax 'Jack Spratt'*  
**Jack Spratt New Zealand Flax**

Item #6474  
Zone: 9 - 11

Attractive, neat clumps of burgundy-bronze sword-like leaves make this dwarf plant a stunning accent. Useful for edging, mass plantings and textural accents. Fire resistant. Evergreen perennial. Reaches 18 in. tall and wide.

*Plumbago auriculata 'Monott'*  
**Royal Cape® Plumbago**

Item #6637  
Zone: 9 - 11

Huge clusters of vivid deep-blue flowers cover this sprawling, vine-like shrub most of the year. Provides reliable color as a groundcover, bank cover or container plant in frost free areas. In colder zones, provides beautiful annual color. Moderate grower to 5 ft. tall, 6 to 8 ft. wide.

Monrovia  
Exclusive

*Podocarpus elongatus 'Monmal'*  
**Icee Blue® Yellow-Wood**

Item #8655  
Zone: 9 - 11

The first Podocarpus with distinctive blue foliage! New growth is lime-gray-blue maturing to a cool gray-blue-green on this excellent specimen, lawn or screen tree. One of the most beautiful and decorative pyramidal Conifers for the South. Slow growing to 15-25 ft. tall by 15-25 ft. wide.

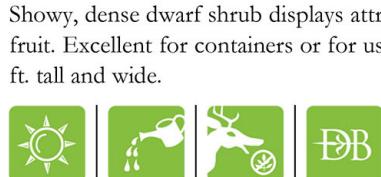

# Tropicals

## *Punica granatum 'Nana'* **Dwarf Pomegranate**

Item #6740

Zone: 7 - 11

New

## *Rhodocoma capensis* **Giant Cape Restio**

Item #4993

Zone: 8 - 11

## *Sabal minor* **Dwarf Palmetto**

Item #2343

Zone: 8 - 11

A hardy Palm that grows in a clumping arrangement, with most of the trunk underground. Flower clusters and fruit rise above the leaves and may bend to the ground. A fine subject for containers and mass plantings. Slowly grows to 6 ft., with fronds up to 5 ft. tall and wide.

New

## *Schefflera taiwaniana 'Yuan Shan'* **Yuan Shan Hardy Schefflera**

Item #4995

Zone: 7 - 10

Assuredly the hardiest and rarest member of its clan! This unique Schefflera - one of the most exciting new introductions in recent memory - comes from the slopes of the highest mountain in Taiwan. It sports sensational, very textural, evergreen pinnate foliage along its stems. Superb as a container plant in colder climates, where it will require overwintering indoors. Reaches 15 ft. tall and wide.

New

*Sedum reflexum 'Lemon Coral'*  
**Lemon Coral Sedum**

Item #7789

Zone: 7 - 11

Attractive ground hugging Succulent forms a fine textured carpet of golden-yellow. Winter foliage may be tinged reddish orange. Clusters of small yellow star-shaped flowers attract butterflies. Beautiful in borders and rock gardens, or cascading from a container or green wall. Reaches 6 to 10 inches tall, up to 24 inches wide.

*Sedum rubrotinctum 'Aurora'*  
**Pink Stonecrop**

Item #6367

Zone: 9 - 11

Colorful succulent with a unique low, cascading habit. Plump, oblong leaves are light green, heavily tinged with deep pink. A perfect choice for the rock garden, between stepping stones or in the crevices of dry walls. Attracts butterflies. Drought tolerant when established. Moderate grower 6 in. tall, 18 to 36 in. wide.

New

*Senecio serpens*  
**Blue Chalksticks**

Item #7023

Zone: 10 - 11

A small, low growing succulent, branching from the base and rooting along the stems to provide an easy care, attractive ground cover for warm sunny hillsides and yards. Powdery blue-green fleshy leaves provide year round interest, taking on purple tints in extreme heat and sun exposure. Forms a carpet of foliage up to 1 ft. tall, spreading 2 to 3 ft. wide.

*Senecio talinoides var. mandraliscae*  
**Blue Finger**

Item #6868

Zone: 10 - 11

A striking blue gray succulent from South Africa. Pencil-like, slightly curved leaves point upward and form a dense mat, making an attractive groundcover where a blue gray effect is desired. Easy care and drought tolerant but will tolerate regular irrigation. Attractive in containers. Forms a carpet of foliage to 2 ft. tall, 2 to 3 ft. wide.

# Tropicals

## *Setcreasea pallida*

### Purple Heart

Succulent purple leaves on vigorously spreading stems are accented by small dark pink flowers. Dies back in cold weather then vigorously returns in spring. Heat and drought tolerant. Great for low maintenance areas, rock gardens and mixed borders. Rapid growth to 12 to 18 in. tall and spreading.

Item #1188

Zone: 7 - 11

## *Solanum crispum 'Glasnevin'*

### Glasnevin Chilean Potato Bush

Item #4996

Zone: 8 - 11

A selected form of the Potato Vine with a non-stop offering of blue, yellow-centered flowers from March until late November. Hardy and evergreen, it can be grown as a free-standing shrub or espaliered on a wall or trellis. This excellent summer container plant may be overwintered in colder climates. Fast growing to 12 ft. tall, 5 ft. wide.

## *Solanum rantonnetii 'Royal Robe'*

### Royal Robe Paraguay Nightshade

Item #7096

Zone: 9 - 11

Medium-size evergreen shrub with slender arching stems. Displays masses of large, fragrant, rich blue-violet flowers with yellow centers over long season. A very showy plant. Fast growing to 6 to 8 ft. tall and wide.

## *Stephanotis floribunda*

### Madagascar Jasmine

Item #7155

Zone: 10 - 11

Clusters of fragrant, pure white, tubular flowers contrast nicely with the dark green, leathery leaves. A favorite of florists for wedding bouquets. An excellent container or indoor plant. Evergreen. Slow to moderate growing to 15 ft. long.

*Strelitzia reginae*  
**Bird Of Paradise**

Item #7175  
Zone: 9 - 11

Tropical looking evergreen plant valued for its unique bird-like orange, blue and white flower heads. Long-lasting cut flowers. Use an accent, especially on patios or near pools. Good in containers. Slow-growing clumps to 3 to 5 ft. tall, can be as wide or wider.

New

*Stromanthe sanguinea 'Triostar'*  
**Triostar Stromanthe**

Item #4791  
Zone: 10

Strikingly colorful tropical plant never fails to catch the eye, with exotic variegated foliage of cream, green and pink. Broad, shiny leaves are arranged in fans, with burgundy-pink undersides. Thrives in the shade in moist, rich, well-drained soil. An excellent choice for a tropical look in containers. Colorful foliage makes this a wonderful houseplant selection. Fast grower to 3 ft. tall, 2 ft. wide.

*Tecoma stans 'Lonesp'*  
**Gold Star™ Esperanza**

Item #1254  
Zone: 9 - 11

Fast growing shrub valued for its large clusters of non-stop golden-yellow, bell-shaped flowers. Arching stems of dark green foliage form sprays of green and gold. Very heat tolerant and easy to grow. Semi-evergreen. Fast grower to 6 to 7 ft. tall and wide.

*Thunbergia alata 'Blushing Susie'*  
**Blushing Susie Black-Eyed Susan Vine**

Item #2214  
Zone: 10 - 11

Lovely range of flower color on the same plant, displaying mostly apricot with shades of ivory and pink. Spectacular when used tumbling over containers, twining around hanging basket chains or climbing a trellis in the garden. Fast growing to 5 ft.

# Tropicals

## *Tibouchina urvilleana 'Athens Blue'* **Athens Blue Princess Flower**

Item #7329

Zone: 10 - 11

Beautiful, tropical look from an evergreen shrub with flowers deeper purple than the species. Upright, open-branched habit useful as hedge, screen or accent. Good around pools. Untrimmed shrub becomes a rounded mound to 7 feet tall and wide, larger with age.

## *Trachelospermum jasminoides* **Star Jasmine**

Item #7005

Zone: 8 - 11

Beautiful evergreen vine prized for its very fragrant, star shaped white flowers. Train on posts, walls or trellises, or use as a fast growing groundcover. Good container plant in cold climates. Twining stems 18 to 20 ft. long. Reaches 1 to 2 ft. tall as a groundcover.

## *Trachelospermum jasminoides 'Madison'* **Madison Jasmine**

Item #1273

Zone: 7 - 10

A slightly more cold hardy form of the popular vining or spreading vine. Lustrous green leaves highlighted by spectacular clusters of incredibly fragrant white flowers. Performs well in mixed borders and as a formal or informal groundcover. Evergreen. Stems 10 to 12 ft. long trained up on a trellis or 1 ft. tall as a groundcover.

## *Trachycarpus fortunei* **Windmill Palm**

Item #6360

Zone: 8 - 11

Extremely hardy Palm with distinctive hairy black fibers covering its slender, graceful trunk. Attractive compact crown. Makes a good garden or patio tree, or container specimen. Moderate grower to 25 to 30 ft. tall with an 8 to 10 ft. wide crown.

*Tulbaghia violacea 'Tricolor'*  
**Tri-Color Society Garlic**

Item #7314  
Zone: 7 - 11

Dainty heads of lilac-pink flowers on stalks rise above blue-gray foliage having thin white margins. New growth has pink tinge in early spring. Brushing against plants gives garlic-like fragrance. Vigorous growing foliage clumps to 1 ft. wide, 1 ft. tall; flower stalks to 2 ft.

*Washingtonia robusta*  
**Mexican Fan Palm**

Item #6410  
Zone: 8 - 11

Tall slender trunk is topped with large fan-shaped evergreen fronds. Provides a very tropical appearance to the landscape. Excellent as a street tree or specimen. Fast growing to 50 to 60 ft. tall, 10 to 15 ft. wide, larger with time.

New

*x Sedeveria 'Jet Beads'*  
**Jet Beads Stonecrop**

Item #7925  
Zone: 8 - 11

Unique hybrid Succulent with bronze burnished green foliage arranged along stems like a string of beads. Cool weather brings on nearly-black coloration, providing excellent contrast when displayed with plants of more muted tones. Use this drought tolerant selection as ground cover or tuck into rockery, containers or dish gardens for dramatic effect. Evergreen. Reaches 4 to 6 in. tall, spreading to 12 in. wide.
